

2018 Spring Planting Program

Dear Lot Owner:

Spring is in the air with the fragrance of flowers, the twitters of birds, warm days, and gentle nights. And, once again we are happy to offer our spring planting program! A minimum of four (4) plants (geraniums, marigolds, dusty miller, or similar foliage) will be planted in front of the upright stone in accordance with our Cemetery rules and guidelines. Watering, basic care, and mulching will be done so that the lot will be established through July.

Please complete the order form and return it with a check or money order of **\$45** for each lot to:
