A Note from Rick: After missing a week of our normal Tuesday Sale for Christmas and our Christmas Trotting Sale, we started the New Year off on the right foot at TLA. Markets were all a little stronger, with the exception of bull calves- which were steady. Slaughter cattle and Dairy cattle led the way with the biggest gains from the previous sale. We didn't have a lot of feeder cattle, but what we did have sold well and there was definitely more interest. We had a large crowd of people and went through lots of fry pies, milk and cookies. It was great to get to see so many familiar faces. The Christmas Trotting Sale was a heat wave compared to last year. The temperatures were over 70 degrees warmer than a year ago! Although we had rain to deal with on Thursday, there were definitely no complaints. The horses sold well and the market report was very similar to last year's. We also had a full house for the Stallion Presentation and it was a great three day event. Thank you to all of the consignors, buyers, bidders, presenters and spectators for making this such a great sale. The committee members and TLA employees worked hard to showcase a great line-up of horses and it definitely paid off! See you at TLA!
