

*Write your way to recovery,
one step at a time . . .*

Sundays 5:15 - 7:15 pm

Step writing empowers you to discover, examine and address the emotional, behavioral and life issues underlying your addiction.

Write at home between each meeting, using GA's "Writing the Steps" booklet as a guide.

Then come and share what you've written with other GA members!

Receive (and give) support & encouragement in a safe, nurturing, non-judgmental environment.
