Studies In Exodus

1. After the Israelites departed Egypt, how did the Lord lead them on their Journey to the Promised Land? Exodus 12:20-22
2. How was Moses reunited with his wife and sons? Exodus 18:1-7
3. Why did God lead the Israelites to the Red Sea instead of a more direct route to the Promised Land? Exodus 13:17-18

Spring Cleaning

One of the Monday Night projects is to clean out closets. There is lots of stuff including clothing, shoes, pillows, personal items, etc. Some items have been placed in the box under the mailboxes. Everyone might want to check to see if it's any of your property. Some things will need to be donated soon if no one claims it.
