Ryan Rhoades - CSU

ARPAS Membership & Exams

Would you like to join our group and earn continuing education credits? To do so, become a “Professional Animal Scientist” (PAS) through the examination and certification process offered by the American Registry of Professional Animal Scientists (ARPAS). We are offering a chance for you to take an exam the day of the meeting (offered at 9:00 am) - anyone is invited to take the exam and attend our meeting! ARPAS aims to serve animal producers, industry, and all others desiring research-based technical information on the animal sciences. The local tri-state (CO, NE, and WY) ARPAS Chapter meets on an annual basis at the High Plains Nutrition & Management Roundtable to exchange knowledge among its members, industry affiliates, producers, and Universities whose interests lie in the success of the beef industry. To learn more, please visit our website: www.nutritionroundtable.org

*This meeting is worth 5 continuing-education credit hours.
