**Rentals are first come first serve unless you have made a reservation**

**Children under the age of 12 using a SUP or Kayak must have an adult in the water for the duration of the rental. Minors 13-17 may use a SUP or kayak without a parent in the water as long as a waiver is signed.**

### **SUP's**

**Ankle leash MUST be worn at all times.**

**Renters must start and finish on their knees for safety.**

**Customer safety is our first priority. If the weather turns unsafe while you are out on the lake, head back in immediately.**

**No rentals may go out if there is lightening, thunder, high wind, or dense fog.**

**If conditions turn windy and you are having a hard time paddling back, lie on your stomach or knees and paddle back to shore.**
