FASO (Filipino American Association of Southern Ohio) is alive and growing by leaps and bounds, supported by many donors like you. Our mission of “Cohesion, Collaboration, and Service” is making an impact on our community primarily and most visibly through our Cultural Committee, represented by our FACPA youth group (Filipino American Cultural Performing Arts), and our adult dance group, the Dancing Kimonas. These groups have been very busy performing in various schools and events, spreading awareness of our Filipino culture and heritage.

Our Community Outreach Committee has collaborated with several other community organizations including Comboni Missions, World Mission Sunday, and the Peñafrancia Fiesta. Our Education and Events Committees have provided free activities including a Defining Filipino symposium, a Halloween Party with Pumpkin Carving, Parol Making and the annual Picnic. These events are free for our members.

Our Ninfa Guinigundo Damayan Fund has grown through the generosity of the Guinigundo family and friends; the fund has been able to provide assistance to families facing difficult challenges.

Our annual fundraising to support our ongoing and proposed projects and activities is done during our “Pista Sa Nayon” celebration. This year our theme is “MassKara” from the Philippine province of Bacolod, to be held on Saturday, April 28, 2018. We are soliciting for sponsors, donors and advertisers in our souvenir program for this cultural event (please refer to the attachment). All sponsors will be recognized during our event. FASO is a 501(c)3 nonprofit organization and your donation will be tax deductible.

We look forward to your generous support.

Sincerely,

Butch Rivera MD
FASO President
