Our Club Liquor License requires that everyone have a valid membership card on their person, or be signed in as a bona fide guest when patronizing the Devil's Bar.

The Americans with Disabilities Act makes a distinction between a "Service Dog" and an "Emotional Support Animal". Emotional Support Animals do not have the same privileges as Service Dogs. Regardless, all animals must be under positive control (sit quietly by owner, no barking, disruptive, or threatening behavior) while on post property. Owners must clean up after their animal. Failure to conform to these basic guidelines will result in the owner being told to leave.

Have a great 4th of July and remember to support your post!
