Happy 52nd Anniversary Strauss Chiropractic Center
See the back for a little bit about our history.

HAPPY 52nd ANNIVERSARY STRAUSS CHIROPRACTIC CENTER!!!

The Strauss Chiropractic Center is delighted to be celebrating its 52nd anniversary on October 2, 2019. Started in 1967 in the Pinewood section of Levittown, PA in the home of Dr. Joe Strauss, the office was committed from the very beginning to providing excellent chiropractic care in a manner that was convenient and affordable to everyone.

The present facility on Frosty Hollow Road in Levittown was built three years later and officially opened in February 1971. By the early 80s, it had grown to be one of the largest chiropractic practices in the world.

The Strauss Chiropractic Center (voted Best of Bucks on multiple occasions through the years) has served over 80,000 people in the area since its beginning and given literally millions of specific, life-enhancing adjustments to people of all ages with its extended office hours and unique set-your-own-fee system.

Whether young or old, healthy or struggling with some condition, people are always better with a clear nerve system. Many have continued to come for regular spinal checks and adjustments when necessary for themselves and their families for 20, 30, and over 40 years.

A significant number of people have noted with sincerity and gratitude that they would not have been able to get the care they need if it had not been for the Dr. Joe's vision of creating a place where anyone can come and receive regular, affordable chiropractic care over a lifetime.

Dr. Judy Campanale, a student of Dr. Joe's, joined the practice in 1993. She practiced with Dr. Joe and his brother, Dr. Ron Strauss, for over 20 years until they retired. In 2013, Dr. Judy became the second owner of Strauss Chiropractic and brought on two associates, Dr. Randy Link in 2014 and Dr. Gerry Cartwright in 2015. Still, in 2019, the Strauss Chiropractic Center remains committed to providing the same exceptional care for which it has become known.

No matter when you came to be part of the Strauss Chiropractic family, whether it was yesterday, a month, a year, or decades ago, we are glad to have you. We know that no matter why you come, you are immeasurably better every time you have your spine adjusted and we look forward to seeing just how great you can be with regular chiropractic care.

We will be celebrating the monumental occasion of our 52nd anniversary and the enormous impact that our existence has had on the community on Thursday, October 3rd. We hope that you will come celebrate with us and have your spine checked while you're at it.
