

**DISTRICT 23 REPUBLICAN COMMITTEE  
RESULTS OF MAY 12, 2016 MEETING  
RESOLUTIONS TO ENDORSE CANDIDATES**

For each candidate, PCs could vote "Yes" or "No" on the resolution to endorse. PCs could also choose to abstain from voting "Yes" or "No." A total of 151 ballots were cast. A majority vote of approval (>50%) required 76 "Yes" votes. Those candidates are highlighted in blue. A 2/3 margin of approval of the resolution required 101 "Yes" votes. Those candidates are highlighted in yellow. Please note that, because many PCs abstained from expressing their opinion on some candidates, several candidates did not achieve the 76 vote threshold, but their vote totals nevertheless indicated substantial support from LD23 PCs. The results follow, in ballot order.
