Closed session meeting minutes for March 11, 2021

Administrator Rauch reported Assistant Chief Chuck Bunnell failed the District physical test administered earlier this month. As per the District's requirements he cannot respond to calls for service or act in any emergency response.

Chief Poppe Jr is aware of the situation and will discuss options with Chuck Bunnell.

The Board takes the position that the Fire Company, its officers and members can best decide on a course of action that will allow Mr Bunnell to continue his active membership with the Company and still satisfy the rules of maintaining his physical testing responsibilities.

Also discussed was a minor vehicle damage occurrence for a District Vehicle operated by Chuck Bunnell prior to the physical testing date. As required, a board of review was convened and the Board found that the damage was deemed avoidable. Chief Poppe Jr will review the circumstance with Me Bunnell as well as the officers of the fire company. The Board agreed to let the fire company close the matter with Mr Bunnell.
