

MAFFI Liaison Letter

We have been busy working on our new exhibits for Model A Day, Sept. 16, 2017 and are very excited about them. The new interactive 'starting display' should be ready to go by Model A Day and will present a challenge for anyone wanting to climb onto the seat and go through the steps required to start a Model A. We are looking at the possibility of having two new truck exhibits, a Stand Drive Milk truck and a 1938 AA Express Bed Truck. We are also beginning to work on a "Fords Around the World" exhibit and should have a GAZ engine (originally manufactured in Russia) also ready to go by Model A Day. So, there will be lots of new things to see in the Model A Museum and new exhibits at the Gilmore as well.

See you there,
Loukie Smith
