

## **1. Subject: EHL- Swimming Pool Fecal Incident Response Summary Chart**

### **Attention Public Swimming Pool Inspection Programs**

On August 8, 2016 I sent a message to the EH Listserv concerning the Updated CDC Guidelines for Responding to Diarrheal Fecal Incidents in Swimming Pools. Here is the link for the updated guidelines:

<https://www.cdc.gov/healthywater/swimming/pdf/fecal-incident-response-guidelines.pdf>

The attached chart summarizes the updated CDC guidelines on one page.  
Many thanks to Patricia Hawkins in Transylvania County for sharing this helpful tool!
