Pre K T-Ball Program

The KC Sports Lodge is currently enrolling for our 8-week Pre K Dinomites T-Ball Program. Our T-Ball program teaches the fundamentals of the sport to boys and girls in a fun, creative, and interactive manner. Kids will learn the game and love the game. We focus on teaching children correct throwing, catching, fielding, batting, and base running techniques and skill development. Our coaches provide years of experience, but parent participation is **ALWAYS** encouraged. All that is required is a glove, a positive attitude and a willingness to have fun. Classes will be starting Saturday, June 3rd. A great way to introduce your pre K child to sports/activity, build motor skills, work in small groups and fuel an enjoyment for physical activity for a lifetime. Register at www.kcsportslodge.com.
