Great job Javen.

If you have ideas for work shop or a clinic you would like let the President know.

Workers are needed to complete the .
new traveling layout
. See Fred Dugger

Also we need to finish the 4 by 8 layout
to run the business card train.

Product report

One of the neat tools I have is the uncoupling tool from Rix Products. It has a forked end with two opposing magnets just slip between your cars and presto you are un coupled .Price is about \$5.00 available from Walters. Uncouple anywhere on your lay out.

The Hutchinson Zoo is looking for a train engineer.
