TIME: From 4:00 PM till 6:00PM
WHERE: 3120 State Route 35, Hazlet, NJ 07730

Please know that this rally will not be what the American people have witnessed by leftist snowflakes, crybabies and communist agitators during these past few months.

Be advised of the following:

1. There will be no cash payments for attendance.
2. There will be no travel expenses paid.
3. There will be no organized instructions on why you are there and what to say.
4. There will be no manufactured signs handed out.
5. There will be no vulgarity or displays of private parts.
6. There will be no crying or whimpering.
7. There will be no Nazi signs.
8. There will be no national flags from foreign countries.
9. And when the rally is over the area will not look like a pigsty.

There will be many, many happy people who have decided to come out and show some support for our President.

1. There will be speakers such as Gubernatorial candidate Assemblyman (R16) Jack Ciatterlli and Philadelphia radio talk show host Cris Stigal of WPAHT.
2. There will be comradery and friendship shown to all.
3. There will be homemade signs or Trump yard signs from the campaign.
4. There will be singing and the pledge of allegiance.
5. There will be American flags and Gadsden flags.
6. There will be waves, salutes, laughter and smiles.
7. There will be patriots there who know why they are there without being told.
8. The area when we leave will be cleaner than when we got there.

For those who wish to go, later there will be a protest in Red Bank concerning its sanctuary city status. This will follow the rally in Hazlet.
