Detailed guidelines will be given out in the trial information that is sent to exhibitors prior to the trial. Bringing your hand sanitizer and wipes is highly encouraged! Hand washing stations will be available!

Please sign-up to work when you arrive at the trial!

It takes a lot of people to run an agility trial. The Club would appreciate your help in making sure the trial is a success and hopes that everyone will volunteer for **at least** one to two positions each day! Thank you for your help!

Thursday: Trial set-up begins at 5:30 PM.

Personal set-up will not begin until after all trial set-up is complete!

It is the exhibitor's responsibility to check in with the gate steward and be at the ring gate when it is their turn to run. The Judge is not obligated to wait for any exhibitor.

Classes Offered

Standard Classes: Novice A & B, Open, Excellent, Masters, Novice Preferred, Open Preferred, Excellent Preferred, Masters Preferred,

Jumpers with Weaves: Novice A & B, Open, Excellent, Masters, Novice Preferred, Open Preferred, Excellent Preferred, Masters Preferred,

Classes: It is the exhibitor's responsibility to enter the dog in the correct class. The trial secretary cannot make any changes (except for move-ups & as provided for in Chapter 1 Section 21 of the Agility Trial Regulations) after the closing date of the trial. Please consult the AKC Regulations for Agility Trials for a complete description and eligibility to enter into these classes. The exhibitor is fully responsible to enter into the correct class(es) and height divisions. Dogs running in a lower or higher height division than they are eligible will be eliminated.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend

- Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title.
- The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Multiple Jump Heights Within the Same Trial Day

- Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

Note - A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO) As of January 1, 2020

– This will not be offered at this trial since there aren't any FAST or T2B class.

Fix and Go On (FNG) As of January 1, 2020

Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Height Divisions		
Regular	Preferred	Height at the Withers
Handler may opt to run their dog at a higher height division.	Handler must run their dog at the proper height division.	Owners are responsible for entering their dog in the proper height division.

12"	8"	For dogs 14" and under at the withers

20"	16"	For dogs 22" and under at the withers
24"	20"	For dogs over 22" at the withers
26"	N/A	At the owner's discretion

Jump Height Cards: All dogs entered **MUST** be measured by the judge before their **first** run except those with AKC jump height cards. **It is the exhibitor's responsibility to have their dog measured prior to running if necessary.** If your dog is measured into a taller jump height class, he must be moved up into it at the trial. **If your dog is measured down, he cannot be moved into a lower jump class. Measuring will take place at 8:15 AM, on June 12th, 13th, & 14th 2020.** It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request.

Jump Height Card Process: There is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or needs to be measured. Please mark the appropriate box, so the trial secretary knows whether to include your dog on the Dogs to be Measured List.
