VIRTUAL DIAPER DAY

Help us reach the goal of collecting more than 100,000 diapers for low-income families with infants and young children. We are collecting all sizes of diapers!

The facts:

Food stamps do not include hygiene products such as diapers. On average, the cost to purchase diapers is approximately \$100/month or more! Day care centers require parents to provide their own diapers. Local non-profit agencies have daily requests for diapers, however, due to limited supply/donations, they can only dispense diapers 4-6 times a year per client.

How you can help:

- Declare a day in September to collect diapers from your employees, organization members, neighbors, or friends.
- **Drop-off donations** during community collection days Oct. 13, 8a-4p & Oct. 27, 4-6p at [Cobb EMC Solar Flower Garden](#).
- **Donate** online at cobbdiaperday.com.
- **Purchase** on Amazon at <https://amzn.to/2YRcplN>

About the proceeds:
