Testimonials

When my life has been the darkest and there appears to be no end to the pain, I see the light of love from all of you shining brightly to help along the way. I can't thank you enough for caring! I need your help to make it. VL (UHC; Other Adult Losses; HALO)

I LOVE the Grief Care Place and everyone there! Their teachings have made my journey much easier and have turned my darkness into light. JS (UHC; Widows)

I started coming right after my husband passed away on September 21, 2007. Now I don't attend the sessions regularly because "Until Healing Comes" works . . . and healing has occurred in my life, thanks so much to the GriefCare Place and the programs they offer. The leaders who share and care, and the others I've met along the way. . . along my grief journey, and I am forever grateful. KK (UHC; Widows)
