You've asked... we answered.

Over the past several months we have been busy in developing a functioning organization. In order to grow our sport and develop all the benefits of this great recreational activity now and for years to come, we will now start a membership program and offer insurance for CaniCross events. CaniCross USA – 2019 Canicross Event Guidelines for Insurance

*In order to use CaniCross USA insurance,
you will need to follow these guidelines...*

Our events are welcoming to all types of dogs and owners of all abilities and fitness levels. Walkers with dogs should be encouraged and welcome to our events as well. Locations: Bike paths or unpaved trails. NO Roads, only for crossing and need to be supervised.

All permits and approvals with those that govern the property in which you are to host the event.

You can include non-CaniCross entrants as well. Suggest two different starting times, those with dogs first and then those without a dog. Suggest 5-10 minutes difference in starting time.

Dogs need to be in good health.

Dogs aggressive towards other dogs or a person will be asked to step away, if it happens again any point, even during the run/walk, the dog will need to leave the event.

Dogs that attempt to bite another dog or person, need to immediately leave the public area and return to the car. The dog will not be allowed to run in the event or return to the public area.

CaniCross USA is not responsible for the action of a dog at an event, specifically dog bites and attacks.

Owners are responsible for cleaning up after their dog in a proper way.

Dogs are not permitted in any enclosed buildings or enclosed shelters.

Dogs must be on a 3 foot or shorter leash prior to the start of the event except to warm up. Once done running or walking the event, the dog must be put on the short leash.

Water stations for the dogs should be adequately placed based upon the weather conditions and course. Recommend a dog water station about every 1.5 to 2 miles during warmer temperatures and every 2-3 miles during cooler temperatures. Water station should be available prior to the start of the race as well. Change water as frequently as possible.

No special gear is required to run or walk, but all dogs must be on a running line, leash or similar that is in total control of the owner.
