EMERALD BELLE GUIDELINES

SUMMER PRACTICES

Practices will be announced by the director and are mandatory. Missing summer practice will result in a member missing performances and pep rallies during football season. These practices are very important and should not be missed for any reason. In addition to learning and polishing routines for the football season, girls will begin trying out to perform at games and pep rallies.

SPECIAL PERFORMANCES

Special performances will be announced by the director and are required for every girl unless specified otherwise by the director. These may include, but are not limited to; contest, clinics, basketball games, and parades. These performances will be announced as soon as possible and each member is expected to make arrangements to participate.

FUNDRAISING

It will be necessary for the Emerald Belles to participate in some type of fundraising. Each member will commit herself to fulfilling her own personal obligation and not depend on others to sell her share. Each Emerald Belle should make herself willingly available for these functions even if they should fall on a Saturday.

PERFORMANCE TRYOUTS

Tryouts will be held before every performance. All drill team members are required to tryout for all performances unless otherwise instructed. Every member must be able to demonstrate full knowledge of the routine to be included in the performance. Other factors that will be taken into consideration are technique, execution of steps and stunts, formations, and showmanship. The director will make all decisions concerning who dances and her decision is **final**. Alternates will practice with the team at all times, as they may be included in the routine at any time.

PRACTICE SCHEDULES

Practices for the Varsity are scheduled before school and continue into 1st and 5th block of everyday. Practices for the Junior Varsity will be determined by the director at a later date. During football season the Belles have a run-thru with the band on Thursday afternoons at CHS from 3:45-4:15pm. When preparing for competition or special performances, additional practices may be called if the director feels it is needed. Otherwise, the designated practices Mon-Fri should be ample time. Every effort will be made to notify the member of the extra time needed to polish the routine. Each member will be expected to adjust her schedule accordingly. If a member needs to attend tutorials or make-up a test, she must let the director know ahead of time. All Varsity members must try to schedule tutorials in the afternoon.

CONTEST

The Varsity and Junior Varsity Emerald Belles will participate in at least one contest per year. Most contests are out of town and require travel to and from the contest. Attendance is required, even if a member is not dancing. Tryouts will be held for contest numbers.

EMERALD BELLE OF THE WEEK

One girl will be chosen each week during the football season and competition season for this honor. The director and officers determine who will be selected. Selection is based on attitude, showmanship, work ethic, and enthusiasm.

ATTENDANCE AND ABSENCES

PHILOSOPHY

The Emerald Belles' goal and philosophy is to maintain an excellent level of performance while emphasizing and setting an example for all of Carroll I.S.D. All Belles are representing our school and our drill team whether you are in uniform or not.

STANDARDS FOR DISTRICT EXTRA OR CO-CURRICULAR ACTIVITIES

All students are expected to adhere to the Carroll I.S.D. Code of Conduct as it applies to school- related or school sponsored activities. Students involved in extracurricular and co-curricular activities are expected to exhibit the highest standards of ethics and conduct. Carroll I.S.D. students, staff and parents view participation in these extracurricular or co-curricular activities as a privilege and not a right. Therefore, the teachers, sponsors, coaches, and directors of these activities may develop and enforce codes of conduct that will take into consideration both school related misconduct and conduct that occurs outside of the school's usual jurisdiction, regardless of time or location. This would include any misconduct that would reflect negatively upon Carroll I.S.D. Additionally, the district has imposed the following uniform consequences for misconduct by students involved in extracurricular or co-curricular activities. First, students who are suspended from school or placed in AEP for committing a Level IV offense under the Code of Conduct will be suspended from participation in all extracurricular and co-curricular activities ("activities") for the following lengths of time:

Suspensions from school:

- 1st Suspension: Suspension from all activities for a period of 30 school days from the date of suspension.
- 2nd Suspension: Suspension from all activities for a period of 60 school days from the date of suspension.
- 3rd Suspension: Suspension from all activities for a period of 90 school days from the date of suspension.

AEP Placement for Offenses:

- 1st AEP Placement: Suspension from all activities for a period of 90 school days from the date of AEP placement.
- 2nd and Subsequent AEP Placements: Suspension from all activities for one calendar year from the date of AEP Placement.

Second, students who are placed in AEP or expelled for committing a Level V offense are subject to more severe extracurricular and co-curricular activity restrictions. Such cases will be reviewed by an administrative review panel appointed by the principal.

Third, students who commit offenses outside of the school's jurisdiction for expulsion or AEP removal (i.e. conduct that is not school related) will be suspended from participation by the administrative review panel after a review of the incident.

Before an extracurricular or co-curricular activity sanction will be imposed, evidence must be presented to the administrative review panel in one of the following forms:

- ~ A report from a law enforcement agency.
- ~ Personal confession by the participation student.
- ~ Observed behavior by a school employee.

Non-School Related Level Offenses

- 1st Offense: Suspension from activities for thirty (30) school days.
- 2nd Offense: Suspension from activities for sixty days (60) school days.
- 3rd Offense: Suspension from activities for ninety (90) school days.

All listed extracurricular and co-curricular activity suspensions regardless of whether or not school related or non-school related are for "school days" and may continue into the next school year. For example if a student is suspended for thirty (30) days with ten (10) school days remaining in the school year, he/she will serve the other twenty (20) days at the beginning of the following school year. These penalties are not subject to appeals or reviews by the district's hearing officer.

These penalties are cumulative throughout the student's career on his or her respective Carroll I. S. D. campus. For each violation beyond the third, a suspension of one calendar year will be imposed.

While under suspension from extracurricular and co-curricular activities, students will continue to attend their academic classes. Additionally, while under suspension from activities, students may participate in any tryout, election, or process that would allow them to participate in an activity that begins after their suspension is lifted. Students elected or selected from an organization or team while suspended from extracurricular activities may participate only after their day of suspension from extracurricular and co-curricular activities have been completed. Notwithstanding the foregoing, students will not be allowed to participate in any tryout, election, or other process that takes place while they are assigned to AEP or suspended from school.

I UNDERSTAND AND CONSENT TO ALL THE RULES AND GUIDELINES OUTLINED IN THE EMERALD BELLES' CONSTITUTION AND GUIDELINES, POLICIES OF CARROLL SENIOR HIGH SCHOOL AND CARROLL HIGH SCHOOL, AND THE CISD STUDENT HANDBOOK.
