

The Wheeling ASHRAE 90.1-2010 Class just ended. 3 quick updates about the class we did not know.

- 1. These classes cover ASHRAE 90.1-2010, 2013 and proposals for the 90.1-2016 version. Mac, our instructor, is on the ASHRAE 90.1 Committee. His knowledge on why the changes happened is an highlight of the class.**
- 2. Class includes continental breakfast. Available 8 am till noon.**
- 3. Door prizes are presented. Printed copies of ASHRAE 90.1-2007/2009 IECC. All paid attendees are in the door prize drawing. 12 more books to given out in the next 2 days.**

You can still signup and attend. We have space. Below is the details.

The ASHRAE Learning Institute classes on ASHRAE 90.1-2010 are occurring. This standard lowers building energy use by 25% over the current state standard

(ASHRAE 90.1-2007).

All classes are in the morning from 8:30 to 12:30. (Breakfast at 8 am) Cost is \$10 and covers everything - Course, Outside ALI Instructors, Handouts, CD, Food, room.

Attending the May 10 and 11 class earns 4 hours of ASHRAE, AIA and USGBC credit.
