number, are in danger. SHAKSPEARE has been translated into the Polish language, and the people of Warsaw divide their admiration between "Macbethoffsky " and "Hamletowski." "Romcosczinsky and Juliettikoff "is very popular with the young

The St. Louis Times wants to know why President Grant can not nominate his old spy, C. S. Bell, to the vacant English mission; he could steal papers, onough from the Foreign Office to keep the White House posted on European

The New York Herald says the illness of Gen. Grant occasions much con neasiness that his friends entertain:

NORTH CAROLINA politics is in something of a muddle. It is charged that a ring has been discovered in which De-mocrats are interested as well as Republicans, the purpose of which is to defraud the State by selling or leasing her interest in the only paying railroads in

THE Cincinnati Enquirer says Mr. Pendleton declines to be interviewed. but it learns from outside sources that the report of his having pledged his infavor the nomination of Thurmon is without foundation.

The annual reunion of the 21, which is San Jacinto Day. It is desirable that the meeting be as largely attended as possible. Special rates have been made by the railroads, and everything will be done that is necessary to make the meeting pleasant for the old

A WASHINGTON claim agent named Rice, asserted that General Custer lied | way would be smoother. That paper in his testimony before the investigating has added an adverb to its phrase of committee. The General met Rice on the streets a day or two after and gave him a good caning. When a man is conscious of having told the truth he will not submit to direct contradiction Why does not Grant cane Pierrepont?

Dishard, from the shape he is giving English policy lowards India, is supposed to indicate apprehension of dan ger in that quarter, and his purpose is to strengthen the empire by all means in his power. Lord Lydor, it is share the opinions of the Premier, and will keep a strict, watch on the operations of the Emperor of Russia near the

northwestern frontier of the Indian Empire, where danger is most to be appre-Cyrus W. Thompson, the Texas veteran who died in Galveston on the third instant, was a member of Capt Logaria company of Liberty volunteers who were attached to Colonel, afterward General, Sidney Sherman's command. The company joined General Rouston's command on the Colorado, previous to the battle of San Jacinto, in which it was engaged. It was eighty, strong. Capt. Franklin Hardin, who was First

Lientenant, and R. O. W. McManus, low-lands have been reclaimed and the or prospect in these localities is now exceeding flattering. A very consisting effort at economisms for some time been practiced by simple of the construction of the co Cornellus, Devour and Robt. Whitlock were surviving members at last accounts.

James Gordon Bennett, of New York took the advice of the News and sen to Texas for horses for the new game of polo, or mounted shinney. The Texas ponies understand another gam hich will be new to the New York liorsemen; that is bucking. When they bow their backs, put their heads be tween their forclegs, and point to the zenith with their hind feet, the pole players will naturally get off withou tanding on the order of Manufacturing Bucking against the tiger is play con pared with this came with the Texas austang. , The practicing parties of the polo men will be equal to witnessing the attempts to vide the trick made the circus. Young New York has die erent work before it from that of imitatng the elder Weller and driving old ashioned stage coaches with plow horse teams. Grand and lofty tumbling will be the chief feature of polo for the

first few games.

The Austin Stateman says:

Speaking of the contest between Gor Coke and Judge Hancock for Senator. the Madisonville Plaindealer says: "

will be but one mossion of the Legislature di bug his term, but it this was do not agree. Whithink he is mossied-where until Lambier slocked. Hubbard was not the choice of the scopic for Governor, and no amount of wir working and chicanery could have placed hi-here, had no amount through here, had he announced himself a candida-ce the position. The people kerse but its considence in him, and do not want him ho oddson where he could convene the Legisla are, who bills and exercise the great pow-hat world be placed in his hands were he he gubernatorial chair. For these reason re-prefer Hancock to Coke.

The Houston Age makes the follow ing vigorous remarks on "Official Re

ing vigorous remarks on "Official Responsibility:"

No man should be allowed to sacrifice the material interests of his speople by dickering for popularity in order that he may be advenced to lighter stations. Such corruption should be exposed and rebused. Office holds are not private perquisites but public established be constantly reminded that their offices are not private perquisites but public offices are not private perquisites but public preferrance on man has a divine right to public preferrance on this country. The people have the choice of this country. The people have the choice of this event incumbents. The only valid tomur force of a little offices aliad by the present incumbents. The only valid tomur force of a little of the offices aliad by the present incumbents will be watched with interest. The sensions are now limited by the new of the law, and it is expected that the time will not be frittered away in idle wranging. As more law, and it is expected that the time will not be frittered away in idle wranging. As many axes will be to grind. They will be harryed watched. The press must do its difference of general concern is the other grave must teres of general concern is the other grave must revening out a way. now best to suppress the prevailing outlawr in this State. Something must be done an justicly, and those who are foremost in adve

The Greenville Independent, after re narking that the Senatorial race, as far as the press is concerned, seems to have narrowed down to three aspirants -Coke, Hancock and Ireland-says, with reference to the new dogma that because a man has been elected Gover-

nor he should also be sent to the United States Senate: States Senate:

A few papers seem determined that Coke shall be the next-United States Senator, the principal argument used in his favor being his re-election to the child; magistarey of the State by a large majority; but it receives to be seen whether the Logistature will larke a similar view of the matter, and we are of the opinion that is will not. We fully indosed thin administration of Geo. Coke, give him an earnest support for re-election, and have the utmost-confidence in his particular and idelity to principle, but we do not consider him the proper man to represent Frems in the United States Senato at this particular period. The fact of his re-election to the gubernatorial chair by an overwhelming majority afferding on-fully reason for sending him to the Senato. Gov. Coke was not thought of by the people in connection with the Senatorial contest during the recent canvass, which was made by him on State issues alone, and the Legislature, in the selection of Senator Hamilton's secrets.

corn at the capitol, the fear being that office at the last election. He is personparalysis or apoplexy may result. The ally as popular as any man in Texas. resident has grown quite stout, and He is at least the equal of Gov. Coke in his sedentary habits contribute to the qualifications, and his personal charac-

which knows nothing personally of the oditor of the Appeal, and is not particularly concerned about him individually The columns of this paper are not used for personal quarrels. It deals freely fluence to procure an Obio delegation with public men as well as public measto the St. Louis convention that will ures, and never willingly gives personal offense; but an independent journal can not please everybody. Those who are least cautious in dealing with others veterans will be held at Austin on April | are generally first to complain of being

badly treated themselves. Nothing short of copying all it says will satisfy the Houston Telegraph. Whenever the NEWS quotes a remark from it that does not bear criticism, the Telegraph replies that it said something eise also. If one could only know beforehand which of its utterances, if any, "spent balls," heretofore applied to

quotetions made by the NEWS from other papers in regard to the erratic course of our Houston contemperary. It is now "a very spent, bail," Nevertheless, the rebound seems to act like galvanism on our venerable neighbor on the romantic banks of Buffulo bayou, who conceives it very funny to say that the NEWS is printed on an island and rings the changes without being able to produce any thing half as

smart as Three-legged Willie's apostrophe: "Galveston Island, Mr. Speaker, Galveston island, de the semining greend of Longton and his praces, and now the abode of the lordliest set of-----scoundrels ever my blue eyes blazed

on." Why can't the Telegraph say comothing flike that, if it without to be bioday Willie was smart; the The Houston Age thus gladees at the resent condition and prospects of the naterial interests of Texas

The season has thus far been exceptionally particles, and plowing, in combineence, is nearly fixed. It is not the plantage of has thereby been concentrate to the arriva na other thereby a realities had a gra-en open to he arrivation of the abandon co

ance or then home and the first state of the their living.

The area of grain planting is gradually being extended southward, and as far as it has been carried it has grown a healthy and rentine and the companion of the same religious the religious the same re

been carried it has proven a healthy and reministrative crop. We are foreibly impressed with the belief that the future will prove that the area of our State not utlapsed to the growing of wheat, cast, Tye, etc., etc

It Mys it now devolves on our lawmakers and people to give effect to the provision. The writer has the following octic adaptation on the point: o friends to truth, ye statean

man's joys increase, the peor; s to judge how while the incite striker and a happy land. NTATE NEWS. BOSQUE COUNTY. Tensthonous head of cattle pass through Valley Mills, Bosque county on Treesday and Wednesday last, on the

hism trail. CLAY COURTY. Several emigrant wagons passed through Denison on Sunday. The Greate says that the emigration into Clay county is fully equal to the settling of any county in Kansas in 1868, COLEMAN COUNTY, Mr. and Mrs. Piveash died of small

pox, at their home in Coleman county sew days ago. The Sun has beard of but one case in which wheat was injured by the late trost, and in that instance it had commenced jointing.

COOKE COUNTY.

On Monday last two wagons were up On Monday last two wagons were upset by the wind near Calisburg. The wind blew, a fearful gale, which continued all night and the greater part of Tuesday. Several smoke-houses and cutbuildings were found standing on the wrong end Tuesday morning... Mr. Dickey, from near Maryville, was born in Ireland in 1777, and carac to South Carolina at the age of 13. He lived in that State 26 years, and then moved with his wife to Georgia where lived in that State 36 years, and then moved with his wife to Georgia, where he lived 49 years. Last year he was brought to Texas by his daughter, and is still in good health, though nearly a lundred years old. His wife is also alive and well, aged 81. They have been married about 60 years.

DALLAS COUNTY. The receipts of cotton at Dallas are still large....There is 40 per cent, more of wheat planted in Dallas county than ist year, and the prospect for a heavy yield was never more flattering. The irea in cotton has also been considerably increased....The Herald says Dal county has 475,000 agres of fertil and, every sere of which will produc from twenty to thirty bushels of when ELLIS COUNTY

Four prisoners, en route for Huntsville, jumped from the train and es caped from the Deputy Sheriff of Gray-son county, two miles from Ennis Tues-day night. Parties are in pursuit. ERATH COUNTY.

A Stephensville man killed 235 buffalo on a recent trip. Congress had better hurry up that bill against killing buffalo. FANNIN COUNTY.

Rev. S. J. Potts, of Bonham, died last week... The North Texan wants a cotton factory established in Paris.... Dr. B. P. S. Hill, for fourteen years a practicing physician near Elwood, in Fannin county, died of pneumonia Tuesday morning, after an illness of GRAYSON COUNTY.

Denison is still lively: 49,481 bales of cotton passed through between the first of September and first of February, of which 13,000 were for the local trade.

sonato. Gov. Core was made the construction with the Sanatorial core people in connection with the Legislature, in the selection of Sanatorial core properly and popper the control of a score of six fellow-beings.

Sanatorial property and people in the man who all support of a score of six fellow-beings. When such a sovered in life or farming. The cotton market in that high people in that high position. ern boundary, running thence west to the Pecos river, a distance of respect-ively from 150 to 200 miles; having a roting population of \$25, consisting c which the Mexican element predomin-ates. The three Conchorivers, North, South and Middle, together with their tributaries, constitute the water power of the county. These three rivers run together about forty miles above the together about forty miles above the confluence of the main or middle Conclos and the Colorado, and run north, south, and westward from forty to fifty miles through our county, each of which affords sufficient water for irrigating purposes, and are running streams all the year. All farming is done by irrigation, consequently, crops are certain. There is an enterprise on foot to procure instruments for prise on foot to procure instruments for prise on foot to procure instruments for boring, and to try the experiment of irrigating lands lying off the streams by means of artestan wells. We liave three towns: Ben Ficklin, Concho Post and St. Angela. The former is the county seat, yet in its infancy, though it contains a splendid stone court-house and store-house. The Post is the garrison for the soldiers; the latter, St. Angela. gela, is a town on the opposite bank of the river from the Post, is the outgrowth of, and flourishes on the money of the garrison; it has one store and six barrooms. Lands are very fertile in this county, unsurpassed by any in the State, and much of the county is unsettled, hough inmigrants are pouring in.

TARRANT COUNTY.

The Fort Worth Democrat says that the destruction of the minutes and records of the District Court has thrown everything into chaos and confusion. Court is being adjourned from day to day and lawrent and clear the court is the court of the court is being adjourned from day to day and lawrent and clear the court is the court of the court is the court of the court ay, and lawyers and clerks are engage n making up the minutes of the court and copies of judgments, decrees and orders, from such data as they have. The judge has ordered the grand jury to reassemble next Monday, and he will return and transact such business as he can during the remainder of the term." VAN ZANDT COUNTY.

Town lots are selling rapidly at Wills Point... The town full of strangers... Our Methodist and Baptist bells will soon be here... Several hundred acres have been sold during the last few days.

THE VOICE OF THE PISTOL.

Austin, April 2, 1867. ard in every county of Texas. There is an absolute sovereignty exercised in this beautiful State, and it is the sovethis beautiful State, and it is the soverieinty of licensed violence.
No ancient law, no papal bull, was as effective as the sharp peremptory law spoken by the mouth of the pistol or carved on the human body by the glittering bowie-knife.
The government of the United States

The government of the United States purports to be a strictly republican form of government; and yet here in Texas many absolute sovereignities are exercised. We have kings; not one, but a thousand. They are the murder kings. They are not all of equal honor. The kingly hand that has set the seal of death on a single heart ranks out as a slave beside that of the man who has stopped the life current of a score of his fellow-beings.

his sovereign contempt, the murderer withdraws from the court-room, followed by the good-will and blessings of all present, while the wife and children all present, while the who and candles, of the murdered man beg him to accept a little piece of their handliwork as a souvenir to recall them to his memory.

It is in the power of almost every man to become a brilliant murderer in Texas. No one need despair. Any one who will get a pistol and use it generonaly upon his fellow-men, will soon be reverenced by the true, the beautiful and the good.

Parents, ye whose children have the advantages of the best bar-rooms and A PARENT'S DUTY.

This Monater Aggregation will perform during the winter months in Washington. D. C. CIRCULARS have been sent to the presidents and trustees of the Jewish synn.

WHICH IS A PLEA FOR THE LEGISLATURE.
What do they mean? Who dares cry
out against the Murdor King? Is the
Legislature impotent? Poor fools, the
Legislature is wise. Fools, thrice fools,
these malcontents. They can not comprehend the synmetrical policy and the
impersonation of unseen wisdom in
governmental diplousery.
When a mother says to her child:
"Don't do so, or I will punish you."
and then the child, obedient to its
mother's smile, offends and is repeatedly punished by the reiteration of the threat of punishment,
the child at last feels a prescriptive

tion of the threat of punishment, the child at last feels a proscriptive right to do that which it is forbidden to do. Nay, the discrepancy between the formidable words of the mother and er reassuring smile and c

ourage the child to greater disobedience.

Let those who think the Legislatu Let those who think the Degislature is harsh to the murderers ponder the case of the mother just cited. Suppose the Legislature does feel-mered obligation to preserve the right of the murderer inviolate; suppose i loes acknowledge the reign of the mur deer as a striking and original feature of Texas. Could it do to openly? Cer-

tainly not.
The Constitution of the United States rovides for a strictly republican form f government. How, then, can a Texas Legislature acknowledge the suprementationally of a thousand murder kings? If any one can suggest any more effectual protection for the murderer than he now enjoys, let them speak at once as becomes a patriot.

Texas can not confer absolute power upon the murderer without violating her marriage vow to the national government; but Texas, like many of her sisters, lus tact, and so she coquestishly says to the murderers, don't, and they understand and do. Aus'in raight be a very good nursery for murderers, but it is so dull there they would die of ennui. Only five men were murdered there during a single week in March, 1876. he now enjoys, let them speak at once

Let the seple warn the legisla tow-to delay no longer. Such conduc rough murder. nerits the punishment of death. AUSTR COUNTY.

> TRAVIA, Acest Co., April 4, 1876. Eds. News-In our last communica tion we were mader the impression from conversation with prominent plan ters both in this contract. from conversation with prominent planters both in this and Washington county, particularly assume Chappell Hill and Simpsonius, that the acreage in cotton would not be see great as in former years, but from exercial and actual objects that the acreage in cotton of the second servation, we are reluctantly forced the conclusion that fully as much, not more of the strple, will be planted than before. We know this is all wrong, but what's the use discussing the question? The planters all have cotton on 'tion? The planters all have cotton on the brain; and won't deviate from what seems to have reached a chronic state with most of them, and will so continue until some strong convulsion of muture or retusal of merchants to longer make advances on that article, force them to diversity and write at least sufficient diversify and raise at least sufficient meat and bread for home consumption. Then, perhaps, there will be a change for the better, and the body politic, as

well as social present a more healthy appearance generally. The severe cold snaps of the push-we weeks have matesnaps of the pasters were have materially injered vegetation, but we believe core, although bitten down by frost, to be not seriously injured, and but little replacing will be required. The ground, up to last week has been too wet for black land plowing, consequently cotton planting hes been somewhat retarded, but will be rapidly crowded this and the coming weeks. DISTRICT COURT. Our District Court; Judge Lindsay

Our District Court, Junge Presiding, is still in session. A some-what singular criminal case was tried before his Honor on Friday, the 31st. Our deputy sheriff, Kiser, disarmed before his Honor on Friday, the Ilst. Our deputy sheriff, Kiser, disarmed himself whilst in pursuit of a desperate himself whilst in pursuit of a desperate negro charged with larceny, gave the writ for his arrest, together with his own-pistol, to young R. M. Campbell, grandson of David Ayers, Sr., of your city, with instructions to arrest the negro at all hazards. Campbell, armod with his acthority as posses, attempted to carry out his warrant, the regro resisting and trying to escape. Campbell very naturally shot him, causing death in a brief space of time, and immediin a brief space of time, and immediately gave himself up, was tried and acquitted. The question now arises, nether or not Kiser, as deputy sheriff was authorized to also the man if he attempted to escape, without his offering forcible resistance. The haw, we think, positively says not, although under all the circumstances we can not der all the circumstances we can no but see that Campbell acted as nine ou

pire, still survive. Such being the case, we would mildly suggest to Col.

Thos. A. Scott the courtesy of including these old veteran ladies—as well as their

husbands-in his proposed free pass to
