

KING OF THE MOUNTAIN COMPETITION

This is open to all classes of offroad vehicle except Bouncers or UTV's that want to compete to be the best of the best! Anyone wanting to compete must run in the ***Mud, Maineiac Hill, Rock Crawl***. If a tie should occur then each will have a run in the MeGaCross. To be considered you must register and pay for your class in the above mentioned events during regular registration (no refunds). You take your turn when your class is called. Your score is recorded for that event then for those competing a running score based on points is assigned. Some things to consider: for example a Megatruck wants to be considered it must run on the rock course but does not have to finish. The driver must at least pull across starting line and the number of feet recorded. If a rock crawler wants to compete but does not want to run through the mud the driver must pull up to starting line but does not need to finish but the total number of feet will be recorded. Whoever goes the greatest number of feet will be awarded the points accordingly. For example If 50 register for King of The Mountain then the top run for that event will be assigned 50 points on down. After the last event all points are added and the competitor with the most points wins. In the event of a tie each will get a run in the MeGaCross, fastest time wins. You collect any prize money that you may win for that event and at the end of the KING OF THE MOUNTAIN you will also be awarded an additional \$ 500 and a unique trophy and throne!!!
