## **Guidelines for Returning to In-Person Worship at Rushville Church**

We are so excited to be returning to in-person worship services on May 31st.

Here are some guidelines as we prepare.

1. If you are sick, feel sick, have a fever, or have been around people who have been sick, please stay home and watch the livestream.
2. Select a service time and send it to Pastor David, either 9:30 am or 10:45 am. Please stick with your service time as much as possible going forward.
3. Masks are STRONGLY recommended. We will have masks available if you need one.
4. Seating will be set to maintain social distancing. Please do not move the seats. Ensure that there is 6 ft between you and other individuals/families
5. There will be hand-sanitizer available at the Welcome Table
6. Fixtures in the restroom have been switched out to be hands-free.
7. The lower level is CLOSED. There will be no children's ministry at this time. There will also be no coffee station/donuts for now.
8. Please, no hugging, handshakes, or even fist bumps at this time. Maintain social distancing.
9. Once your service has ended, please quickly exit the building. We look forward to a time when we can fellowship together once again. This is not yet that time.
10. After each service, the building will be cleaned and sanitized.

Thank you for helping us maintain the health and safety of everyone at our church! We can't wait to see you!!
