Annual Catholic Appeal
 On the weekend of February 22, we will once again have the opportunity to walk with others as Jesus asks us to do. Together as Catholics, the Appeal is a way we can all help in a powerful way. Many of our sisters and brothers in the North State have endured catastrophic natural disasters. Others still struggle on the margins of communities. Let us remember them and that each of our gifts, no matter the amount, really do make a difference in someone's life. Please prayerfully consider what you can give this year.

You can protect mothers and children.

TRIVIA NIGHT IN JUST TWO WEEKS! There's still time to get on a team and/or sponsor a Round! Don't miss out on helping those less fortunate!

Following upon the teaching of the Beatitudes, Jesus uses the now familiar metaphors of salt and light to describe the life of discipleship. We take salt and light for granted in our society, but these commodities were more precious in ancient cultures. Just as now, salt was used in Jesus' time for flavoring, as a preservative, and as a healing agent. Similarly, the widespread use of electricity in the modern world makes us less aware of the value and importance of light in our lives.

Still, our familiarity with this passage from Matthew's Gospel speaks well to the abiding power of the imagery that Jesus presented. Jesus' call to be salt for the earth and light for the world powerfully states our mission as Church and as Christians. Our commitment to social justice flows from the exhortation that Jesus gives us in today's Gospel. Some of the activities that this commitment leads us to are given more concrete expression as the Corporal and Spiritual Works of Mercy. When we feed the hungry, clothe the naked, console those who mourn, and so on, we show ourselves to be the salt of the earth and the light of the world. When we do these things with the community of faith, the Church, we are indeed acting as "a city set on a mountain" that cannot be hidden!
