

## Queensgate Family Dentistry

*"Only brush the ones you want to keep"*

### Dental Warranty for Removable and Fixed Dental Prosthetics

Queensgate Family Dentistry works with several Dental Labs to complete patient dental prosthetic cases. The warranty on prosthetics is at the discretion of the Dental Lab. All warranty work requests will be evaluated by the Dental Lab prior to replacement or repair of any removable or fixed prosthetic.

Queensgate repair and replacement fees will be determined once the Dental lab has evaluated the repair/replacement need.

Typical Warranties include

Acrylic Partial: 4 or more teeth: 6 months 1-3 teeth: 3months

Broken Teeth covered based on type: minimum 5 years \*Teeth must be returned to lab

Cast Partial Frameworks: 2 years

All Crowns/Bridges: 5 years for normal use. Abuse or accidents not covered. Once accepted and cemented - redo for any reason will be billed at 100%.

Denture Acrylic/ Flexible Partial: 2 years

Implant Abutments: 7 years

Night Guards: 1 year

Repairs/Relines/Temporary Crowns: No warranty/Guarantee

Queensgate Patients are responsible for all Dental Lab fees regardless of the warranty in place. Fees are expected at the time of the repair.

I understand the warranty and repair policy for my dental prosthetic.
