## Commodore's Report

Ahoy there Mateys,

Opening Day of Boating Season was fun and wet. I would like to thank Bob and Linda Schrader for the outstanding job they did as Cruise Captain for this event. I can't wait to see everyone at our next cruise over Memorial Day in Kingston. I hope you will consider helping out at our Seafood Feed in Des Moines in June and the Steak Fry at Brownsville in August. Things go so much better when everyone pitches in to help. Please let Vince and Mike know how you can help out your club at these very important functions. I'm excited for the upcoming cruising season. We have a couple of naming ceremonies coming up during our Kingston Cruise. Dan and Sue Scott have a new boat as do Vincent, Lacey and Ben Ethier and Matt Wolcott. The ceremonies will be just before happy hour on Sunday May 25th at 1530 hours. Vice Commodore, Vince Ethier will be in charge of the May meeting. We are having guest speakers, so please extend them the courtesy of an attentive audience during their presentation.

Bon Voyage....

Julz Ethier

## Vice Commodore's Report

Hola Amigos,

May will be Taco Month at the WSYC, General Meeting at the Masonic Temple on Friday May 16th. We'll be having a presentation from some EMT's on safety and considerations for health concerns on the water. We will be pausing during the evening for their presentation for the benefit of the knowledge that they'll be sharing. The dinner will only cost \$10 and we'll get great tacos talk about all the plans for the summer.

Speaking of Summer, can't wait for the Seafood Cruise June 20th - 22nd. Looking forward to that! Let me know if you're interested in helping with that event in any way and we'll work towards making it a great success!

Very Respectfully,  
Vice Commodore Vince

## Rear Commodore's Report

Thank you again Bob Schrader and Linda! Opening day of boating season was a lot of fun. Luckily the Bakers invited us out with them on Thursday. Rob Ruprecht picked us up at shore and took us to where all the fun was on your boats. The weather was great that day, and so was all the food. The lake was cold; I tried to warm it up and it didn't work. Memorial Day cruise coming up, May 23rd thru 26th, thanks again Bob & Linda. Be sure and make your reservations, if you haven't yet. Summer is here, get ready for some fun.  
Mike LeSieur

Hi All:

A couple of members have asked that I do this list again. I did one a long time ago, but things change so fast now it's hard to keep up. I think most of us remember all our kids slept on their tummies with bumper pads around their cribs - not anymore! I was going to take our grandchildren skiing in a backpack as I did when the kids were as little as 6 months - not anymore!

Anyway, most everything that follows is self-explanatory. The Ace bandages are for sprains, for holding a compression dressing in place and/or holding a nice pack on.

The syringe is not for injecting vodka into Oranges for a morning pre-fishing libation, they are for washing out a wound before sanitizing and dressing. Use saline solution for this if possible - rubbing alcohol may require several of the oranges mentioned in the first sentence.

Keeping a belt or short section of rope handy can be the best emergency tourniquet - but using any tourniquet is a last resort. The aspirin is critical - not much better if immediately swallowed if a heart attack is suspected.

Medicine Cabinet:

Syrup of ipecac  
Benedryl (epi kit if prescribed)  
Aspirin  
Aleve  
Tylenol  
NyQuil - daytime  
NyQuil - nighttime  
Combination pack of bandages  
Q-tips  
Pack 3-4 inch compression bandages  
Box of regular band aids  
Two or more ace bandages  
Roll of cotton tape  
Large and small bore syringes  
Rubbing alcohol  
Suntan lotion  
Antiseptic cream/Neosporin  
Tweezers and nail clippers  
Saline solution  
Dramamine  
Liquid stitch  
Plastic ice pack or bag of frozen peas or corn.  
Belt or two foot section of rope

For Pets:

Pumpkin pie mix  
Flour or pancake mix  
White rice

Note: our dogs will try to eat anything atleast once. Also swimming in salt water can get their stomachs really messed up. The best thing to do if they get bad tummies is don't feed them for 12-24 hours, then start them on a bland diet - hence the white rice. You can add a tablespoon of pumpkin pie mix for fiber - it works great. Then slowly introduce small amounts of their irregular food as they get settled. Dry toast also helps.

The pancake mix and flour are great for application on animal cuts to stop bleeding. We used it after cutting Boswells nails and one of them started to bleed. The pancake mix stopped it very quickly!

We try to keep a supply onboard of and prescription medications just in case we forget to bring them each trip.

We are hopeful of having an EMT display CPR and emergency wound dressings before May's meeting - will advise shortly. However, I encourage everyone to go online before the full start of boating season and watch a YouTube demonstration of current CPR techniques. No more blowing into a persons mouth. It's just rapid and firm compressions.

Hope this is useful - We want to know as much as we can in the event you get sick and we would hope you would be as prepared as possible in case we do!!

See ya at the May meeting

Best

Bob and Linda

**Now is time to get your registration in for our annual West Seattle Yacht Club Golf Tournament!**  
**The Registration form has been sent out via an earlier email and there is a copy in this issue of the May Anchorline. Saturday, June 7, 2014 is the date with our first T-time at 11:30am. I'll take the entry fee monies at the registration table but I do need a head count by Friday, May 30<sup>th</sup>. We did field ten teams last year and I am budgeting for same this year, but an early response from all participants would be greatly appreciated. Foster Golf Links, 13500 Interurban Ave S, Tukwila WA 98168 will continue to host our event. Billy Barroos Restaurant will give us patio space for the 19<sup>th</sup> hold activities. Drink and food may be ordered at your option off the menu.**

**I am able to keep the entry fee the same as last two years but I'm combining the golf cart fee instead of listing separately on the registration form. \$65 is the entry fee which includes green fees, golf cart, and contribution to prizes. If there is anyone who "really really" wants to walk the course I'll adjust your entry fee at the registration table.**

**Thank you to this year's Officers and Board members for contributing \$250 towards this annual event. The Annual WSYC Golf Tournament is one more event that continues to bring together our club members and another great opportunity for our Social Members to fully participate in a Yacht Club function.**

**So mark your calendars, gather your teams, and I'll be looking forward to seeing all of you again at this ever growing annual event!**

**Lou Kush**
