Medal Outlook:

Anthony Duca will be seeded and looks to take home a 2nd ETR medal. **Nick Duca** also will be a solid medal choice after coming up a match short in 2015. **Zack Richard** and **Joey Perez** should find themselves battling for medals into highly contested weight classes. **George Worthy, Santino & Anthony Morina** are all highly credentialed frosh who could surprise some veterans. Paulsboro is a very young squad with a lot of talent that will be formidable in the coming years. **Prediction: 3-4 medals**
