ALISMAIL GROUP TARGETING INDUSTRIAL MARKETS

ALISMAIL GROUP

THE GROUP

Alismail Group founded in 1972, Headquartered (Alismail Industrial Complex) in 1st industrial City, Dammam, Saudi Arabia. Alismail Group is the leader in high-quality specialized construction services, prefabricated buildings, building materials & furniture.

Our group of companies offer a comprehensive portfolio of products and services for multiple environments, inspired by over 40 years of insight gained serving the world's leading organizations.

We design for a wide variety of customer needs through our core brands. The primary focus of these brands is the prefabricated buildings, building materials & furniture segment, but we also extend our capabilities to serve specialty needs in areas such as healthcare, industry, education and distributed work.

Our strategy is to grow by leveraging our deep understanding of the patterns of works to offer solutions for new ways of working, new customer markets and new geographies. We market our products and services primarily through a highly networked group.

A STORY BUILT BY IRON

ALISMAIL OFFICE SYSTEM - AOS

ALISMAIL OFFICE SYSTEM - AOS is one of the pioneers in manufacturing & fabricating of steel furniture in kingdom of Saudi Arabia.

In 1972, the company began operations in a modest factory in Dammam, years later, ALISMAIL has become a major manufacturing company due to the remarkable growth it experienced from the start, nowadays Alismail Office System is now considered one of the biggest and more advanced company, and leader in producing top of the line and quality Steel Furniture.

ALISMAIL also strive to maintain a quality work environment, which has a direct impact on the retention and productivity of our skilled employees. ALISMAIL is a model of excellence whose entrepreneurial performance and vitality have been rewarded with numerous prestigious awards.

Our commitment to sustainable development is also recognized in our industry. For all these reasons, we take great pride in presenting Alismail Office System to society, an industry leader and a contributor to the economic and social development of our communities — through its products, its success and its responsible vision.
