

Hello,

I am a member of The Kings Track Club. We are working hard and excited about the start of our 2018 season. Fundraising has become a necessity and a norm in youth athletics and we are all expected to assist. In order to operate a quality program, our team needs equipment, insurance, training facilities and other associated costs. Each athlete is being asked to assist in finding sponsors for this season's team to offset the rising costs of running a program like ours. It is with this in mind that I am asking for your assistance. I would be most grateful if you would consider making a sponsor donation to our program. **We are asking for \$100.00 or more (if you can at this time) as a donation.**

With the sponsor donation we will be placing your company name on our website. www.aatsportsacademy.com

If you choose to donate, please make your check payable to **AAT Sports Academy**. Please include athlete's name in the memo of your check and mail your sponsor donation to: **AAT Sports Academy, 9526 Argyle Forest Blvd. B2-117**

If you have any questions or concerns please contact Coach Merlin Smith, Director at (904) 413-8052 or msmith@aatsportsacademy.com

Company Name: _____

Thank you
