April 2019

We have been using the Ultimate Plum Pudding as a delicious fundraiser for over thirteen years.

Selling the puddings has been a major fundraiser for our Special School for Children with Physical Disabilities. As well as parents, staff and friends buying the puddings, local companies that support our school have also sold them for us; one company also used them as a Christmas thank you to their own customers.

The Ultimate Plum Pudding Company and their successors Freshfield Bakery have always been very helpful and enthusiastic, they have helped us to produce very attractive labels personalised for our school, and when we have required extra puddings at short notice they have always worked really hard to meet our needs.

We have ex parents, staff and associates that still come back to school at Christmas to buy their puddings as they really are very good quality.

We would have no hesitation in recommending The Ultimate Food Company and their produce.

Yours sincerely,

Richard Parratt,
Head Teacher and Association Treasurer.
