### 5,161.48 THANK YOU'S

**\$5,161.48!** This is the total amount of money we raised this year during the Café Nez Rouge Night. We wanted to extend our appreciation for your help. Your support means a lot to us. We were able to provide Christmas presents for 40 less fortunate children this year which is the most we ever helped.

This year was the tenth year anniversary of the French Café, and it really was our best year ever. It wouldn't have been possible without the whole Maurepas community.

We know that we will be able to count on you next year to break a new record.

Thank you again.

### NATIONAL BETA SCHOOL OF DISTINCTION

The Maurepas Senior Beta Club has been named a National Beta School of Distinction by the National Beta Club for the 2015-2016 school year. The National Beta School of Distinction award was created to recognize those schools that demonstrate an increase in membership and participation in the current year. By increasing student involvement in Beta, the Beta Club provides a path for improved academic performance and character development in the school, as those qualities are hallmarks of the organization. Service to school and community is central to the mission of the National Beta Club, and healthy, active chapters benefit more than just their members—after all, the club's motto is "Let us lead by serving others". This national award speaks highly of the commitment of our students, faculty, and administration to academic success and preparation for college and career readiness. Pictured with the Banner awarded to our club are the Executive Committee members.
