

Sweet Repeats Seller Information Sheet

Pricing:

- Consignors decide on pricing for each item and receive 70% of their total sales after the \$15.00 registration fee is deducted (See volunteer information on how to increase the percentage and/or waive the registration fee).
- General recommendation is to price items 25-35% of the original cost.
- Consider brand name, condition, and age of each item when pricing.
- Price reasonably to sell as much as possible on full price days.
- Consider 1/2 price day, especially if storing or donating after the sale, better 1/2 the money than no money at all.

Drop offs & inspections:

- **Items must be clean, current, complete.**
- **Items with holes, pulls, snags, fading, major pilling, stains, or odors will be rejected.**
- All items will go through inspection, to guarantee quality and working order before being accepted.
- All electronics and battery-operated items will be tested during drop offs. **Please allow enough time for this process.**
- **ALL** clothing must be separated by size and gender for drop off
- Any item can be rejected for any reason at any time.

Any questions??? Just ask. We are happy to help. sweetrepeatky@gmail.com
