Trojans and Roughers Display Outstanding Sportsmanship

The Jenks Muskogee game lived up to all the pre-game hype as being a very physical battle between two good teams with two excellent coaching staffs. However, when the final horn blew signaling the end of the game at 28-26 Trojan victory, both the Trojans and Roughers displayed outstanding sportsmanship.

ers players were quick to congratulate each other on a great game. The mutual respect did not end with the players as t
es from both sides, some being ex-Trojan coaches, also paid each other respect for a well played game. Good Job!

What is a Rougher?

25 the Central football team won another state championship and the squad was tagged with the nickname "Roughers"
se of their rough play. The current Rougher mascot is a roughneck with a bulldog face symbolizing the Oklahoma oil days
annual High bulldog mascot. This mascot we see today was created by MHS students in the mid 1970's.
