

BCHNEG NEWSLETTER

February 25, 2015

It's that time again! Time to get our plan together for another year of volunteer work on the trails at Willis Knob. We had a very successful year for 2014. We worked on two major areas of concern with heavy equipment. Our members logged many hours of maintaining the trails, attending meetings with the Forest Service, and making plans for future projects.

Our Christmas gathering was a great success. Door prizes were given out and the food at the Valley Cafe in Dillard was wonderful.

We can be very proud of our volunteer hours for this year. Last year, we turned in 107 hours of volunteer work. This year, we had 510 hours. Thank you BCHNEG members for all your hard work.

NEW WEBSITE!

We have a new website thanks to our technology expert member, Katie A Deall! Please check out www.bchneg.org If you have pictures, news, or suggestions for the website, please contact Katie. Her email address is tom@tomadamsconstruction.com Thank you Katie!

NEXT MEETING

Our next meeting will be March 11 at Mama G's restaurant. We will discuss volunteer forms, future projects, and fundraiser ideas. Be there at 6:00. We will eat supper during meeting. You will be responsible for your dinner. Kathy will send a reminder by email before the meeting.

MEMBERSHIP FORMS

A 2015 membership form is included with this newsletter. Please fill out info and return in enclosed envelope. Make sure to write in your email address if you have one. Emailing information is the most economical way for our organization.

CHAIN SAW CERTIFICATION

Members of our organization that use a chain saw must have a certificate for use issued by the Forest Service. To get chain saw certification, you must have a CPR/First Aid card. Both classes are being taught at the Chattooga Ranger District.
