

Community Christian Church (Disciples of Christ) cares about YOU

We ask you to:

- wash your hands often with soap and water.
- stay at least 6 feet apart (unless you are from the same household). PLEASE be courteous to others and stay 6 feet apart. Hugs and handshakes will have to come later. 😊
- cover your mouth and nose with a mask when around others.
- cover coughs and sneezes with a tissue or use the inside of your elbow.
- not gather in groups inside or outside of the church. Come and meet and then go home. 😊
- PLEASE STAY HOME IF YOU ARE SICK!

For our church groups, we will:

- clean and disinfect regularly.
- provide masks if needed.
- provide soap at the sinks and hand sanitizers in readily available locations.
- limit the number of people at each service and add additional services if needed.
- provide multiple opportunities for worship – Facebook Live at 10:45 am, Online YouTube viewing by Sunday afternoons, Outdoor Worship at 8:30 am, Indoor Worship in the Sanctuary at 10:45 pm, and 5:00 pm Interactive Worship in the Fellowship Hall.
- ask you to read the latest details of the re-opening process (another document).

Ushers will be available at all services to direct you if you have any questions.

Plans can change as new information comes in. We will do our best to inform you of any, and all changes. Check our website or your email for up-to-date information. CCC is taking what we believe are reasonable precautions to keep us all safe; however, we cannot guarantee that these precautions will be completely effective. If you decide to attend a service/activity in person, you are voluntarily assuming the risk of COVID-19 exposure.
