

BLACK SAGE ENVIRONMENTAL

Natural Resource Management & Protection

With over 20 years of Natural Resource Management & Environmental Protection experience Black Sage Environmental is ready to assist you.

Natural Resource Management

Black Sage Environmental is a licensed pest control business specializing in exotic weed removal, pesticide application, habitat restoration, erosion control and trail maintenance and construction. We will remove and control your exotic weed problems utilizing chemical, manual or mechanical methods. Your erosion control issues will be fixed and the land restored back to pristine natural habitat utilizing locally grown native plants. If you need an existing trail maintained or a new rustic trail built by hand, look no further.
