# Men's Mission Trip Information

## March 14-18: Hattiesburg, MS

**Who's Invited?** Men ages 18 and up. Invite anyone who may be interested.

**About Hattiesburg and R3SM:** Recover, Rebuild, and Restore Southeast Mississippi was founded in 2006 as a long term recovery agency in the wake of Hurricane Katrina. Their work has continued over the years to assist residents affected by Hurricane Isaac (2012), an EF4 tornado (2013), major flooding (2016) and most recently an EF3 tornado (2017).

**Itinerary:** Hattiesburg is roughly a 15-hour drive from Ellwood City. We plan to drive all day Wednesday -- work Thursday, Friday, and Saturday -- then return on Sunday. There will be group Bible Study and free time for fellowship in the evenings. We will either worship early Sunday before travel, or research a church to join for worship in route to Ellwood.

**Project:** Our exact projects will not be known until just days before the trip, but most of their projects are currently in the rebuilding phase and can include any variety of work. R3SM will provide all building materials, necessary tools, and a worksite manager.

**Arrangements:** R3SM is providing dormitory style housing for up to 50 volunteers. The cost is \$25 per night, or \$100 per person. Our food and fuel will be in addition to this cost, and will be calculated when we have a better idea how many are coming.

### Specific Needs:

Drivers with vehicles.

Someone to organize meals. There is a full kitchen in the volunteer house. If no one wants to cook, we may arrange meals to be provided by local churches.

All skill levels. We would love to bring some skilled labor with us, but it is not required.

If you aren't afraid to learn and get dirty, we can find a job for you.

**What's next?** Please contact Pastor Sean Brubaker to officially register before March 1.
