

**Instructions**

1. Be ready before the cones. Jog a serpenting through the cones.
2. Lope through the box and over the poles as drawn.
3. Trot into the chute and stop. Back out of the chute.
4. Sidepass right and back into the second chute.
5. Walk forward over the poles.
6. Trot over the poles.
7. Walk over the poles and onto the bridge. Stop on the bridge and hesitate for at least 5 seconds (look around for lost cattle while you wait.) Walk off bridge.
