

Light the Covered Bridge Celebration

It is the intent of the Borough of New Britain, the Chalfont New Britain Business Alliance and the New Britain Civic Association to, through a combined effort, plan and execute an event to celebrate the 175th Birthday of the Pine Valley Covered Bridge.

The celebration is tentatively scheduled for Saturday, June 23, 2018 and would include a family day at Covered Bridge Park adjacent to the bridge itself on Keeley Ave., in New Britain Borough. We will include a grand illumination of the bridge utilizing the talents of a lighting firm to design a non-invasive light system to show off our bridge in all its glory.

We have already secured a limited number of sponsors willing to contribute to the costs involved. However, the anticipated costs exceed the contributions we have secured. Please consider a pledge from your organization which will be recognized in our promotion literature as well as on a remembrance at the Park. Our goal is to make this a family oriented event with historic information about the bridge as well as entertainment for those participating.

Please review this event and your decision to be a part of it. Then contact Bob Showalter rlshow@aol.com, David Holewinski davidholewinski@comcast.net or Sam Bryant manager@newbritainboro.com , you can also contact me via phone or text at 215-407-7104.

Thank you in advance for your anticipated cooperation in this community event.

Sincerely,

David Holewinski – President – New Britain Civic Association

Mayor of New Britain Borough
