Dear _____,

My school, Holy Guardian Angels Regional School, is holding its annual **FUN Day** on Thursday, October 17, 2019. This day is an opportunity for all students in grades Preschool through 8 to celebrate the new school year and have fun through physical and mental activities, and raise much needed funding to increase technology through the acquisition of tablets for students in grades K-2, and STEM Lab enhancements.

Throughout this **FUN Day**, I will be participating in team building and competitive games, as well as walking two miles for HGA and Catholic Education. Your support of this important day would mean so much!

My family has a goal of earning \$350 in sponsorships and I am asking for your help!

WOULD YOU SPONSOR ME IN THIS EVENT?

Please complete the information on the enclosed envelope acknowledging your sponsorship and return it with your donation. All sponsor money must be received **NO LATER THAN DECEMBER 31st**. Please make checks payable to HGA.

THANK YOU FOR SUPPORTING ME AND MY SCHOOL!

Blessings,
