

St. Luke's School Two Year Old Program

2 year olds Monday & Wednesday 9:00-11:50am \$1,445
(drop off begins 8:50am)

The two year old program meets twice a week. Children in this program have the opportunity to learn and practice skills in all areas of development by exploring their world with a group of peers. The two year old class enjoys weekly music classes as well as special in school events.

Through play, exploration and group and individual experiences, this program will help your child to:

- Have a positive first school experience.
- Overcome separation anxiety and adjust to new situations.
- Improve language skills.
- Promote problem-solving skills.
- Develop gross and fine motor skills.
- Develop awareness of the senses and science.
- Promote social skill development.
- Treat themselves and others with respect and kindness.
- Promote self-control and responsibility.
- Develop self-esteem and a sense of self.
- Increase exposure to letter, number, shape and color recognition.
- Learn about their community and the surrounding world.
