Inclement Weather Policy

Winter will soon be upon us. When inclement weather is in the forecast, please check our website and facebook page for the most up-to-date studio closings. Please note we do not always follow M-W school closures. For example, if after-school activities are cancelled, we will sometimes still be open. We will update our website, facebook page, and phone message with the most up-to-date cancellations. An e-mail will be sent as well. Please note if school is closed for the day and we decide to open for the evening a message will be put out usually by 3pm.

Please Note

When dropping off your child at our front doors, please be extra cautious as you pull away. With the time change, it is now dark earlier and we have many parents and children walking through our parking lot during the evening hours.

Also we ask that all students, regardless of age, wait inside the foyer when waiting to be picked up. Thank you for your cooperation.
