Abby Johnson becomes the youngest clinic director in the history of Planned Parenthood, then a life-changing experience turns her into an anti-abortion activist.

This movie is based on a true story. Tragedy strikes when Jovce Smith's adopted son, John, falls through the ice on a frozen lake in Missouri. Trapped underwater for more than 15 minutes, rescuers bring

John back to the surface and rush him to the nearest hospital. While doctors fear the worst, the 14-year-old boy continues to fight for his life as Joyce, her husband and their pastor stay by his bedside and pray for a miracle.
