From the President—Marjie Siekerka

Dear Ladies.

Thank you to everyone who took part in "Hearts for Heroes" Valentines for our local veterans. We delivered 670 valentines to 3 different locations here in San Diego County. It turned out to be such a great success we are thinking about doing it again for Veteran's Day.

The United States Congress has been debating what to do with President Obama's executive action on illegal immigration. One brave federal judge, Judge Andrew Hanen of Texas, has stopped his executive action and claimed it unconstitutional. Even with that said some folks in Con-

gress want to fund the HSA completely and some want to fund everything except the illegal immigration and some fear the media and what they might say, it is a crazy mess. This March 10th during our general meeting at the Brigantine we will hear directly from the Border Patrol themselves!! Melissa Pena, Border Patrol Community Liaison Coordinator, along with a Border Patrol agent will be our speakers, with questions and answers at the end of the meeting. Also speaking will have Jason Roe from Revolvis Consulting. Jason will give us a little insight how the Mayor of San Diego, Kevin Faulconer, is doing and what is happening with the Stadium issue. Please remember to make your reservations: ncrwf99@gmail.com Also note: if you do not make a reservation we will have to make sure the people on the RSVP list get a seat before you are seated. To make it easy on all of us - please make those reservations.

Please read through this newsletter and mark your calendars! Our board has been working hard on a host of activities. Top O' the Mornin' to all my Navajo Canyon Federated Sisters!

On April 10, 2014 I passed the hat for project
ActionTrack Chair. Since then you have been so generous for our Wounded Warriors. To date Navajo Canyon RWF has donated over half of the money collected.
Because of YOU. I am getting so close to our goal of \$17,500. I will give the exact amounts needed at our March meeting. I feel so blessed to have your support and contributions for our catastrophic wounded warriors.

At our March 10th meeting, I will be passing hat once again for project Action Track Chair. Ladies, no amount is too big or too small. This is in no way a competition. I am just asking that if you can, please donate to this most worthy cause. When the goal is reached and we purchase this chair I hope all of you will be able to attend the presentation. Because of your generosity I will be able to bring this project to fruition so much quicker.

These things I warmly wish for each one of you ~~~

Someone to love, Some work to do, A bit o" sun A bit o" cheer And a guardian angel Always near.

Voter Registration Is the "Key Focus" of the Republican Party Glenda Boerner

February brought 31 new Republicans from our efforts at the New Citizens ceremony at Golden Hall.

Every month we manage to increase our numbers and this is good news for the GOP! It really makes a difference when there is a small army of Federated women working the exiting crowd to encourage voter registration.

Come and join us downtown on Wednesday, March 25 to welcome and help register new citizens as Republicans! Parking at Horton Plaza is free with validation and a short walk to the concourse.

Or, join me, and ride the trolley. The trolley stop is right at the Civic Center and you can almost see the red Republican tent as you exit the trolley!

Don't forget our sister in the South Bay. They always need extra help on the last Wednesday of the month at Chula Vista Homeland Security

DECLINE (to state) 424,845

Chaplain's Words of Inspiration — Ginny Wisley

The month of March congers up so many things: Time changes, St. Patrick's Day, spring cleaning, new flowers, first day of spring (where was the winter to emerge from?).

Let us momentarily ponder the cleaning & the flowering process & our Club. Now should be the time we "clean up our act". We need to get to the grass roots of the problems in this country & bring our "yards" back into the property value that this country so richly deserves. Let's regain our worth as a God-fearing nation in the world by creating values, moral grounds & letting us sow the seeds of democracy that God has entrusted us with.

We need to pray that God will give us the wisdom, discernment & loyalty traits that are so obvious within our Club & let them flow out like water through a hose to the neighborhood, community, state, nation & world. We are so blessed to be a part of a nation that can stand strong & give strength to others by our light.

So get out those "gardening gloves" of hope: your prayers to strengthen, your pen to write letters for support of our elected officials, your discernment to glean information & pass it on to assist others in decision making & last, your love of nation & compassion to keep it alive!

As Marianne Williamson (motivational speaker & author) said:

"In every community there is work to be done,

In every nation, there are wounds to heal,

In every heart, there is the power to do it."

God bless you all as you do the work, heal the wounds & find the power! (Happy St. Patrick's day as well!)

PS: as I mentioned at the meeting, feel free to contact me with any "Chaplain-y" type needs: prayers, a listening ear, etc...that is part of this job.

"POPCORN" POLITICS"

San Diego Mayor Promises to Keep Chargers from Moving to Los Angeles

The Chargers proposal to move the team to Los Angeles County jolted football fans, but would the relocation make a big financial dent in the San Diego economy?

"It's a huge dollars and cents impact, it's part of the fabric of who we are, that's why I'm fighting so hard and standing up for San Diegans," San Diego Mayor Kevin Faulconer said.

San Diego Mayor Kevin Faulconer is the only Republican mayor of a major city in America—and his popularity is soaring, with an approval rating of 61%. However, fighting over the future of the San Diego Chargers, the city's beloved NFL franchise, indicates that Faulconer's popularity could shift with the team's fate.

Bill Would Make Diapers Tax-Free

SACRAMENTO — A new state bill would eliminate California's tax on diapers, placing the product in an exempt category like some food and medicine. Assemblywoman Lorena Gonzalez, D-San Diego, introduced the bipartisan bill this week with the goal of easing costs for new parents.

Sen. Joel Anderson, R-El Cajon, co-authored the legislation. "There's no question that diapers are an absolute health necessity for young children and it's time that California's tax code treat it that way," said Gonzalez, who proposed the bill in January. "Besides keeping babies healthy, diapers need to be available to new parents to access child care for work. If we're serious about getting parents back to work and providing them every opportunity to support their families, we have to ease their ability to purchase diapers."

Anderson, a fiscal conservative who's policy views are often at odds with Democrats, voiced his support for the diaper bill, AB 717.

THE DIFFERENCE BETWEEN A REPUBLICAN AND A DEMOCRAT

Mitt Romney and Hillary Clinton were walking down the street when they came to a homeless person. Romney gave the homeless person his business card and told him to come to his office for a job. He then took \$20 out of his pocket and gave it to the homeless person.

Hillary was very impressed, so when they came to another homeless person, she decided to help. She walked over to the homeless person and gave him directions to the welfare office. She then reached into Romney's pocket and got out \$20. She kept \$15 for her administrative fees and gave the homeless person \$5.

Now, do you understand the difference?

Send this to someone gorgeous, but don't send it back to me.

I've been getting this message all freakin' day!!!:)

The folks who are getting the free stuff don't like The folks who are paying for the free stuff, because The folks who are paying for the free stuff can no longer Afford to pay for both the free stuff and their own stuff. And the folks who are paying for the free stuff Want the free stuff to stop.

And the folks who are getting the free stuff want even more Free stuff on top of the free stuff they are already getting!

Now... The people who are forcing the people who pay For the free stuff have told the people who are RECEIVING The free stuff that the people who are PAYING for the Free stuff are being mean, prejudiced, and racist.

So... The people who are GETTING the free stuff have been convinced they need to hate the people who are paying for the Free stuff by the people who are forcing some people to pay For their free stuff and giving them the free stuff in the first place.

We have let the free stuff giving go on for so long that there Are now more people getting free stuff than paying for the Free stuff.

Now understand this.

All great democracies have committed financial suicide somewhere Between 200 and 250 years after being founded.

The reason?

The voters figured out they could vote themselves money From the treasury by electing people who promised to give Them money from the treasury in exchange for electing them.

The United States officially became a Republic in 1776, 238 years ago.

The number of people now getting free stuff Outnumbers the people paying for the free stuff.

Failure to change that spells the end of the United States As we know it.

ELECTION 2016 IS COMING
