## Yard Of The Month

### A Message from the Owner

I've been living in my home since it was built in 2002.

Have had mostly the same neighbors since then also. We are very close on my cul de sac and remain vigilant of our side of the neighborhood.

We all have contact with each other and speak often. When there are incidents we come together as a community to make sure we cooperate with law enforcement and other neighbors disseminating information.

My block is a clean, quiet and the reason I am still living in my home.

**-Mary Stig**

### **Let's Celebrate!**
