Permits will be issued only to members in good standing, and expire after 6 months. p.17, #31-A.

It is the responsibility of the owner(s) to have the property surveyed and pay all costs associated with the survey.

STILLWATER ESTATES PROPERTY OWNERS ASSOCIATION

RULES REGULATIONS AND COVENANTS

For the purpose of this rule book Stillwater Estates Property Owners Association shall hereinafter be referred to as "The Association" or "Association".

These Rules, Regulations and Covenants have been established by the Board of Directors as minimum requirements intended for the protection and promotion of the environment, the health, safety, and the general welfare of property owners in our Association. Their enforcement must become the personal responsibility of every member of our Association. Please read them carefully and become familiar with them.

Definitions

A member is an owner of property in The Association. A member may be either:

A member in good standing defined as a property owner with all assessment, late charges, fines and other account costs paid. A multiple property owner must be paid in full on all properties to be considered in good standing. A member in good standing has the right to:

- ✓ run for the Board of Directors
- ✓ vote in Board elections
- ✓ receive amenity badges, auto and boat stickers
- ✓ attend board, annual, or special meetings
- ✓ use all Association amenities
- ✓ rent their property

A member not in good standing. If at any time, any one property or properties is (are) classified as delinquent, the result will be the forfeiture of all above rights.

Guest/Visitor: A person other than the member who has been authorized to enter The Association by a member with the intention of visiting or staying at the property owner's address.

Long-term renter/occupant: A person who is renting or occupying a property in The Association from a member in good standing for a minimum of 6 months.

Short-term renter/occupant: A person who is renting/occupying a property in The Association from a member in good standing for less than 30 days.

Membership identification is nontransferable. Members found falsifying, duplicating, selling/renting, stealing and/or lending Association membership identification such as but not limited to amenity badges, vehicle/stickers, day passes, guest/renter occupant passes, passwords, booth/gate access equipment or contractor passes will be fined. See fine chart.

To meet the requirement of a member in good standing, a person or persons owning property within the boundaries of The Association, the property owner's heirs and assigns, must pay the annual assessment of The Association by the first of July in the year of the

assessment. Beginning October 1, 2014, assessments not paid by July 1 will be subject to a late fee of 15% of the unpaid balance. This 15% does not apply to unpaid assessments owed before 2014. Further, the property owner must pay any additional fines assessed against the property owner by The Association. If the annual assessment is not paid by July 1, and/or other fines or assessments are not paid within 90 days of the date billed, the property owner will be deemed delinquent and not a member in good standing. The Association may seek remedies as described below. A property owner deemed delinquent will forfeit the right to be a member in good standing until all assessments and fines are paid in full.

All members shall be responsible for informing their relatives, guests, tenants, visitors, etc., of the Rules, Regulations and Covenants of The Association. all state, county and local laws must be obeyed. Violators will be prosecuted.

It is prohibited conduct for any driver of a motor vehicle to willfully fail or refuse to bring his vehicle to a stop or to otherwise flee or attempt to elude a pursuing security person or vehicle when given a visual or audible signal to bring the vehicle to a stop. Violation of this rule shall be subject to a fine. See fine schedule.

Any person or persons interfering with or preventing authorized security personnel from fulfilling their duties, including patrolling The Association area and enforcing the Rules, Regulations and Covenants of The Association, shall be subject to a fine. See fine schedule. Pocono Mountain Regional Police will be called in for any instance of such interference.

Members in arrears must obtain a daily/guest pass at the booth. Members must present a valid driver's license and vehicle registration to gain access with the vehicle.

FAILURE TO STOP AT THE BOOTH/GATE WILL RESULT IN A FINE. SEE FINE SCHEDULE.

I. ENFORCEMENT OF THE RULES, REGULATIONS AND COVENANTS

Fines, Curfews, Appeals, Complaints

Any fine imposed by the Board or an agent of the Board for a violation of the Rules, Regulations and Covenants shall be considered a special assessment. If not paid within 90 days of a written notification or citation of such assessment, such assessments shall be entered on the appropriate member's account as due and owing to The Association, or may be pursued for collection through a collection agency and/or the appropriate legal system. Members will be responsible for all fines levied against their relatives, guests, tenants, visitors, etc. for violations of Association Rules, Regulations and Covenants.

The Rules, Regulations and Covenants will be enforced by a security guard or other duly appointed agent of the Board. Each offense will result in a fine for noncompliance. Curfew is set on all Association amenities from 10pm to 5am including the community center, lake and beach, tennis courts, boat docks, basketball courts, maintenance building area, ball field on Laurel Road, and the like. Any exceptions require Board approval. Warnings and fines will be administered by a security guard or other duly appointed agent of the Board. See fine schedule.

Violations may be appealed by appointment for a hearing within 15 days of receiving citation. This hearing would be held prior to or following a Board meeting, which is made up of a majority of the Board. See fine schedule.

XV. GUARD BOOTH/GATE POLICY

Auto ID Decals, Day passes, Visitors

1. Identification: Association auto I.D. decals are to be placed on the member's motor vehicle in a place determined by The Association Board. Vehicles displaying a decal in proper fashion will be allowed through the entrance by the security personnel on duty. **FAILURE TO STOP OR ILLEGAL PASSING AT THE BOOTH/GATE WILL RESULT IN A FINE. SEE FINE SCHEDULE.**
2. Day passes: All vehicles without decals will be stopped and issued a day pass. The guard on duty will record the following information:
 - a.) License Plate State and Number
 - b.) Make and Model of Vehicle
 - c.) Drivers Identity
 - d.) Destination and name of community member being visited.

These day passes will be displayed on the inside dashboard of the front passenger side of the vehicle.

Residents are expected to alert the guard booth of expected visitors when able. This will facilitate having day passes already filled out and waiting for visitors.

Members are to register only visitors that are going to be a guest at their residence. Members are not permitted to register visitors to allow them access to another member's property. This will be considered fraudulent use of a guest pass. See fine schedule.

Any member not in good standing shall not be permitted to be a guest of another member for use of the amenities and common areas. See fine schedule.

3. Unexpected Visitors: In the event of an unexpected visitor, the guard on duty will attempt to call the community member being visited and allow entry upon notification to the member.
 - The Guard on duty will have a current listing of all members and their addresses.
 - Exceptions to this policy will include delivery and service vehicles whose nature doesn't allow for set scheduling.

XVI. GROUP PARTY PERMITS

Members only, one per year, fee, deposit, Liability Waiver, Cleanup, Violations and Fine

A group party is defined as a planned gathering of members, or members and non-members for a party in celebration of a birthday, anniversary, graduation, occasion of religious significance, other than an Association sponsored event, at a facility owned by The Association, excluding the interior of the Community Center. No more than one group party permit will be issued to any Association household per calendar year. Permits will not be issued to outside organizations via the sponsorship of an Association member.

1. A group party permit is required for any such gathering.
2. Each participant must have a valid badge.
3. Day badges in excess of the badges the property owner has already obtained may be purchased at the Association office. See fee schedule.
4. The total number of participants is a maximum of 40.
5. Group party permits will be issued to members in good standing and will be subject to the following guidelines and requirements:
 - A. A deposit (see fee schedule) shall be paid to The Association office to be held in escrow for the purpose of insuring cleanup as outlined in **5 H.** below. A non-refundable fee is required to use the exterior of the Community Center deck, picnic area or beach for a private group party. See fee schedule.
 - B. The member must sign a liability waiver and present a homeowner's insurance certificate to The Association office.

 - D. Live musical entertainment or DJ's with music is prohibited; volume of radios, CD players, and other audio equipment already limited by rule must not disturb others. See fine schedule.
 - E. Outside bathrooms will be locked for the night at 6 pm sharp by a security officer. **NO EXCEPTIONS.** Member should not call Board members as they have no authority to make an exception
 - F. Group party permits must be applied for 2 weeks prior to requested date.
 - G. No more than one group party permit will be issued for any given date.
 - H. The member to whom the group party permit was issued shall be responsible for cleanup of beach, picnic area, pavilion area, parking lots, or other common areas used.
 - I. Violations of the above policies are subject to forfeiture of the deposit.
- J. Failure to obtain a group party permit, if required, is subject to a fine. See fine schedule. The above guidelines, restrictions and fines applying to conduct at The Association common areas must be adhered to at any time whether or not a permit was required or issued. The above does not apply to Association Board sponsored and run events.

XVII. SITE PLAN CODE AND RESTRICTIONS

INTRODUCTION

Since the primary purpose of the Site Plan Code of The Association is to assist in the establishment and promotion of a planned unit residential development designed for healthful and harmonious living and to promote, assist and encourage the collective interest of all owners in the development as are more specifically set forth herein, it must be understood by all applicants/members that neither the Site Inspector (if any), his staff, the Site Plan Committee, The Association, its officers and directors, nor any person acting on behalf of any of them shall be responsible in any way for any defects in plans or specifications or other material submitted to the Committee, nor for any defects in any work done or inspection undertaken. Further, the owner and owner's agent shall indemnify, hold harmless, protect, exonerate and defend the Site Inspector, his staff, the Committee, The Association, the Board of Directors and Officers, the management of The Association, and any person acting on behalf of any of them from and against any and all costs, claims or liabilities arising out of actions taken or decisions made while performing the duties of their respective positions in good faith and with that diligence, care and skill which ordinarily prudent persons would exercise under similar circumstances.

SITE INSPECTOR

The Association may from time to time use the services of a Site Inspector who shall act for the sole benefit of The Association and not the lot owner/member in determining whether construction or improvements are in compliance with:

- 1) plans, applications, drawings or amendments; and
- 2) Rules, Regulations and Covenants of The Association.

The activities of the Site Inspector are for the sole and exclusive benefit of The Association and are not to be relied upon by the lot owner/member or any other third party nor alleviate said persons from independent verification and compliance with the aforesaid.

SITE PLAN CODE AND RESTRICTIONS

Permits/Fees, Survey, Setbacks, Easements, Truck weight limit, Vegetation clearing /replanting, Inspections, PERC test, Septic & Well, Shed size, Fence, Wall, Deck or Auxiliary Buildings, Exceptions, Temporary structures, Docks, Pools, Hot Tubs, Fill on undeveloped lots, Violations

1. A. No primary dwelling, garage, auxiliary building, addition, deck, fence, wall or other structure, well or septic system shall be started, constructed or erected upon the premises, without first obtaining a Township building permit when required and the written approval of The Association as to the location, elevation, plan and design. Replacement of any of the above will require permission from The Association prior to removal. Plans must be submitted in duplicate to The Association office for approval or disapproval by the Site Plan Committee. Plans must include dimensions of lot, section and lot number, location of buildings with respect to lot lines, location of well and septic, and such other information as The Association may from time to time require. The

Site Plan Committee shall approve or disapprove the proposed construction within 15 days after the plans have been submitted and one set of plans will be returned to the property owner. Upon approval, work must begin within 6 months of issuance of The Association permit.

- B. Permits will be issued to members in good standing.
2. All lot boundaries must be surveyed by a qualified surveyor and clearly defined by surveyor's stakes or existing pins before any building plans are approved. It is the responsibility of the owner(s) to have the property surveyed and pay all costs associated with the survey.
3. A lot having a width less than 80 feet may not be used as a site for a dwelling. All buildings and structures shall be situated on any lot so that the distance between the structure and the front lot line shall equal a minimum of 40 feet; the distance between the structure and the rear property line shall equal a minimum of 25 feet; the distance between the structure and any interior lot line shall equal a minimum of 15 feet; the distance between the structure and any side street line shall equal a minimum of 20 feet. The front of the lot is the part which faces the street according to the Stillwater map plotting. The distance from any structure on any lot to any water's edge shall be a minimum of 25 feet, and is not only governed by our rules, but township rules, and both should be checked.
4. The front and rear 5 feet of each lot shall be reserved for easements for the installation and maintenance of utilities and drainage facilities.
5. Improved properties may be used for residential purposes only. Only ONE detached single-family dwelling shall be permitted on a lot, not to exceed 35 feet in height measured from mean ground level to peak, ONE private garage for no more than TWO cars, ONE accessory building or tool shed, ONE gazebo, and ONE exterior coal bin.
6. The minimum size of a new home shall be not less than 1200 square feet on the first level of living area, exclusive of garage, porch, or deck.
7. Permit fees to be paid to SEPOA: See fee schedule.
 - A. per house
 - B. per addition or garage
 - C. per deck, shed, or auxiliary building
 - D. per fence
 - E. If The Association needs to hire a site inspector for any site planning issue, the property owner will pay the inspector their current rate. See fee schedule. The owner/builder will be billed for the amount billed by the inspector.
8. The Board reserves the right to change the fees at any time. A current fee schedule is available in The Association office.
9. Contractors must register with The Association office.
10. Contractors shall be required to provide an enclosed portable toilet facility within the boundaries of the site under construction prior to the commencement of construction activities for use by the workers on site.
11. Daily hours of construction shall be from 8am until 7pm. There will be no outside commercial construction utilizing loud tools or equipment at new home sites on Sundays.
12. No work is to be started by the contractor or owner until all plans have been approved and a permit issued. The owner or contractor will inform the Site Plan Committee of commencement and completion dates of all work.
13. No excavation shall be made on any lot except for the purpose of building thereon, and then only at the time when building operations are to commence. No sand or

earth shall be removed from the premises except as part of such excavation. Excavation or construction of any water pond to house or breed fish or any other animate or inanimate objects is strictly prohibited on any property within The Association.

14. With respect to any truck which exceeds 10,000 pounds GVWR (Gross Vehicle Weight Rating) per vehicle, The Association MUST be advised 72 hours in advance and approval may be given for the projected date and time the specific vehicles will be present in the development, so as to allow access in accordance with the PA Uniform Planned Community Act
15. Construction equipment may not be parked or stored on residential property beyond duration of work on said property.
16. No lot shall be cleared of brush, trees or anything else of inflammable nature without having first obtained the approval of the Board in writing.
17. Any contractor building a new home in The Association shall be required to plant 6 trees on the lot within the protected natural boundaries, which are located within 5 feet of the side property lines and 10 feet of the rear property line, or to the front of the property behind the right of way, once finished grade has been achieved. The 6 trees must be planted **before final inspection** by the Site Plan Committee. The minimum size of each tree to be planted, when measured four feet from the ground or top of the root ball, shall be 5 inches in circumference. The trees must live a minimum of one year from the time of planting or must be replaced by the property owner.
18. No more than 60% of the natural vegetation may be cleared for building purposes. Natural boundaries must be retained on side and rear property lines; a minimum of 5 feet on the side lines and a minimum of 10 feet on the rear line. In case of a violation, vegetation must be replaced.
19. Work must be started within 6 months from the date of the permit. The exterior of a home must be completed within 6 months from the date construction commences. All exteriors must be finished with siding material and/or paint. Basic building materials may not be used for completed exteriors. Non-compliance will mean the re-issuance of a site plan permit with all appropriate fees to be paid again.
20. Contractors must conform to good building practices as specified by Building Officials Code Administration (BOCA) or recognized National Building Code Authority, also including plumbing, heating and electrical code practices. The above includes approval of all local, County and State requirements. It is the responsibility of each individual property owner to obtain any and all other Municipal, County, State and/or Federal permits that may be required.
21. Inspections
 - A. *New Homes*
 - 1) After lot has been clearly marked with surveyor's stakes (pins), plot plan will be compared with site for setbacks by a member of the Site Plan Committee.
 - 2) Second inspection will be made after foundation stakes have been installed and trees have been marked.
 - 3) Third inspection will be conducted during foundation installation PRIOR to pouring of foundation. AN ADDITIONAL FINE WILL BE ISSUED TO ANY BUILDER WHO FAILS TO SCHEDULE THE REQUIRED FORMS INSPECTION **AT LEAST 24 HOURS BEFORE** POURING A

FOUNDATION. THE FINE MUST BE PAID BEFORE ANY CONSTRUCTION CAN CONTINUE.

- 4) Final inspection will be made upon completion of construction in compliance with Association Site Plan Code and Restrictions as defined in XVII, as well as Township Building Code.
- 5) It is the responsibility of the property owner or contractor to notify The Association office of the dates appropriate for these inspections.

B. *Other Structures*

- 1) First inspection will be upon receipt of plot plan. Note: Boundary markers must be clearly visible.
 - 2) Second inspection will be upon commencement of foundation.
22. The approval of new home structures shall be of the conventional or custom built type. Factory built modular home types will be acceptable. The mobile type home (single or double wide) will not be acceptable or approved.
 23. Property owners must NOTIFY The Association office prior to having a probe or PERC test conducted on their property. It is the responsibility of the property owner to have probe or PERC holes backfilled within 7 working days or 168 hours of completion of test.
 24. Measures must be taken to prevent erosion of bare soil within 1 year of completion of a new home.
 25. Building contractor or owner shall be responsible for obtaining a permit from the proper Township authorities for installation or replacement of a septic system in accordance with the provisions of the Penna. Sewage Facilities Act of Jan. 24, 1968, PL 1535, Chapter 4, Art. 423, as amended. This permit and the appropriate Township building permit shall be presented with the plans of the proposed building for approval by the Site Plan Committee.
 26. Sand mounds must be aesthetically covered with vegetation; the street side of the mounds in the front of the lot shall be concealed with vegetation, meaning shrubs or evergreen trees.
 27. The water supply and the septic systems shall be located to conform to present ground area conditions and adjacent homes and must conform to State and local regulations. The septic system shall be located in the rear of the property and the well shall be located in the front of the property. For any exception to this, reasons must be submitted in writing to the Site Plan Committee for approval. Lake and/or stream front property septic systems must be located on the road side rather than the water side of the property.
 28. Finished grade shall conform to accepted engineering practices. Care should be used to avoid water retaining depressions.
 29. Driveways must have a 15" minimum diameter PVC pipe installed between The Association road and newly constructed driveway to provide for proper drainage, unless deemed unnecessary by both the Road and Site Plan Committees.
 30. The maximum size of an auxiliary building or tool shed shall not exceed 144 square feet or 12 feet in height. The maximum size of an exterior coal bin shall not exceed 160 cubic feet or 9 feet in height, size to be measured by outside dimensions of all walls. Rooflines shall not extend beyond any wall more than 2 feet. The maximum size of a gazebo shall not exceed 200 square feet and 12 feet in height.
 31. Fence, Wall, Deck or Auxiliary Building:

- A fence, wall, deck, shed, or auxiliary building may be added to an improved lot after a permit is granted by the office and the fee is paid per fence or wall or the fee is paid per deck, shed, or auxiliary building, when the property owner follows these guidelines:
- A. Permits will be issued to members in good standing. Permits will expire in 6 months. If the subject of the permit is not completed within that time frame, a new permit will be required and a new fee, whichever applies must be paid.
 - B. Fences or walls may be constructed of wood or stone and no higher than 4 feet. A chain link fence of no more than 4 feet in height may be placed in the rear of the property. A chain link fence may be constructed with links only, with no inserts obstructing visibility. No chain link fence swimming pool, hot tub and the like, may be placed on the lake or stream side of a property without approval from the Board. Fence or wall must be on owner's side of property line.
 - C. A deck may be constructed after a review by the Site Plan Committee to make sure it meets proper set-back rules.
 - D. An auxiliary building must conform to The Association Rules, Regulations and Covenants. It may be erected only after a review by the Site Plan Committee.
 - E. When a property owner wishes to replace a fence, wall, deck, or auxiliary building, a check by the Site Plan Committee must be completed BEFORE REMOVAL of the existing structure.
 - F. Municipal permits may be required. Municipal permits are the responsibility of the homeowner.
32. Exceptions to the Site Plan Code and Restrictions must be submitted in writing to the Board of Directors for approval.
 33. When an exception to the Site Plan Code and Restrictions is requested in writing to the Board, a notice must be posted on the property in full view, at least 2 weeks prior to the Board meeting.
 34. Property owners have a right to appeal to the Board of Directors on any decision made by the Site Plan Committee. The Site Plan Committee, for approval purposes, may consist of the entire Committee, or the Chairman and one Committee member.
 35. The property owner shall be responsible for any damage to Association owned property, roads, or adjoining properties caused by use of construction equipment in conjunction with work being performed on the property. The Association has the right to limit the use of roads by construction equipment during exceptional weather conditions (e.g., early thaw) and/or road repairs and paving.
 36. No dock shall be permitted on any undeveloped lot unless adjacent to a lot developed by the same homeowner.
 37.
 - A. No structure of a temporary character, or trailer, basement, tent, shack, garage, barn or other out building shall be used on any lot at any time for a residence, either temporary or permanent.
 - B. No tent, shack, or structure of a temporary character shall be used at any time on any lot for storage with the following exception:
 - ◆Permission may be granted by application to management to erect a temporary carport or screen house on an improved lot for a period of no longer than 90 days.
 38. Pools, hot tubs, and the like are acceptable, but they will be considered structures. Mandatory fencing around such structures must adhere to all building code requirements set by the Township, State and the Site Plan Code and Restrictions of The Association.

39. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall be kept in sanitary containers.
40. Positively no burning of any kind on the premises.
41. In the case of disaster (fire, storm, etc.) to a house or any other building on the property, cleanup should be started within 60 days. If additional time is required, permission for an extension of time must be granted by the Site Plan Committee. Failure to request permission will subject the owner to penalties.
42. It is the responsibility of the property owner to obtain the permit from the proper authority before placing any fill on an undeveloped lot. After obtaining such a permit, the homeowner must then NOTIFY The Association office before placing fill on the undeveloped lot.
43. Deed and sales contract provisions and restrictions must be followed.
44. Every property owner within the boundaries of The Association agrees that the property owner, his heirs and assigns, shall be subject to the payment of annual assessments in compliance with the By-Laws, Rules, Regulations and Covenants.
45. The restrictions herein provided shall apply to the properties herein conveyed and The Association reserves the right to modify or change said restrictions as to its remaining lands or such lands as it may thereafter acquire.
46. All members of The Association in good standing, their heirs and assigns, will be granted the right and privilege of boating, bathing, fishing, ice skating and other recreational facilities that are available within the boundaries of The Association, provided that said privileges shall not be engaged in for any commercial purposes whatsoever.
47. Violators of the Site Plan Code and Restrictions shall be notified in person or by mail. Each day of violation shall constitute a separate offense punishable by a fine authorized by the Board.
48. The following constitute violations of The Association Site Plan Code and Restrictions which are subject to fines:
 - A. This includes, but is not limited to, complete cleanup and removal of all construction debris.
 - B. Commencing any building activity prior to securing a permit from The Association, i.e., probe and/or perc, cutting of any vegetation, excavation, or other normal building activity.
 - B. Excessive cutting of vegetation as defined in **No. 16** and **No. 18** of the Site Plan Code and Restrictions
 - C. Leaving debris on roads overnight.
 - D. Not backfilling probe holes within 7 days of excavation as required in **No. 23** of the Site Plan Code and Restrictions
 - E. Parking construction equipment on Association property overnight.
 - F. On-site burning of any type.
 - G. Violating the daily hours of construction from **8am to 7pm**.
49. CONTRACTORS AND PROPERTY OWNERS ARE RESPONSIBLE FOR ALL WORK BEING DONE ON NEW DWELLINGS, ADDITIONS, WELL DRILLING, NEW OR REPLACEMENT SEPTIC SYSTEMS, OR ANY SITUATION INVOLVING COMMERCIAL CONSTRUCTION EQUIPMENT AT THE DISCRETION OF THE SITE PLAN COMMITTEE. FINES, AS DETERMINED BY THE SITE PLAN COMMITTEE, WILL BE INSTITUTED FOR ANY DIFFICULTIES ARISING FROM THESE SITUATIONS, WHICH ARE ALSO SUBJECT TO IMMEDIATE CORRECTION. THIS INCLUDES, BUT IS NOT LIMITED TO, COMPLETE CLEANUP AND REMOVAL OF ALL CONSTRUCTION DEBRIS. THE SITE PLAN COMMITTEE WILL ALSO DETERMINE IF ANY DAMAGE

HAS BEEN DONE TO ANY PROPERTY OWNED BY THE ASSOCIATION. ALL PROVISIONS OF THE SITE PLAN CODE AND RESTRICTIONS OF THE ASSOCIATION MUST BE MET IN THEIR ENTIRETY.

XVIII. SITE PLAN CODE AND RESTRICTIONS FINE STRUCTURE

1. A. No warnings
B. Daily fines will be imposed if violation continues.
2. A FINE OF AN ADDITIONAL AMOUNT WILL BE ISSUED TO ANY BUILDER WHO FAILS TO SCHEDULE THE REQUIRED FORMS INSPECTION **AT LEAST 24 HOURS BEFORE** POURING A FOUNDATION. THE FINE MUST BE PAID BEFORE ANY CONSTRUCTION CAN CONTINUE. See fine schedule.

1. All homes must be properly identified in accordance with Monroe County, local township, and Association regulations. The Association will inform the individual members where they may purchase the designated signage, posts and hardware in order to be in compliance with the mandated regulations. Members are required to contact The Association office for information regarding this. This is a requirement of local government, which will be enforced by them, and must be complied with by all homeowners. Address markers at road are to consist of signs in compliance with the local regulations. The Association will not be responsible for damaged or stolen posts or signs.
2. No signs for advertising purposes shall be erected or maintained.
3. Outdoor furnaces or boilers are prohibited within The Association with the exception of pool/spa heaters.
4. No open fires of any description are allowed at any time.
5. Fireworks are prohibited within the boundaries of The Association. See fine schedule.
6. All motor vehicles parked on the property owner's property must be parked in the driveway of the property.
7. A property owner shall not permit vehicles to be parked or stored on the property owner's property indefinitely.
8. A. Owners' motor homes or recreational vehicles, such as travel trailers or campers, are permitted to be parked on an improved property to the side or at the rear of their house within the property setbacks as defined in Section **XVII, SITE PLAN CODE AND RESTRICTIONS, No. 3**. Such units shall not be used as living quarters, or rented to others as such.
B. Mobile homes may not be placed on any property.
9. No person shall be permitted to use any Association property for camping or overnight sleeping in tents, sleeping bags, vehicles, etc.

10. With respect to any truck which exceeds 10,000 pounds GVWR (Gross Vehicle Weight Rating) per vehicle, The Association MUST be advised 72 hours in advance and approval may be given for the projected date and time the specific vehicles will be present in the development, so as to allow access in accordance with the PA Uniform Planned Community Act
11. A property owner must notify The Association office when a hired contractor is going to bring heavy equipment on Association roads.
12. Exterior mercury or sodium vapor lamps shall be prohibited on residential property. Mercury or sodium vapor lamps existing prior to Dec 1, 2000 may remain.
13. Satellite dishes must be attached to the property owner's house or must conform with setbacks according to Association Covenants.
14. Snowplowing of individual driveways is the responsibility of individual property owner. Snow must not be pushed into roadways or other property. Individual property owners must notify The Association office of the name, address and telephone number of the plowing contractor.
15. Dogs, cats or other household pets may be kept on the owner's property, provided that they are not kept, bred, or maintained for any commercial purpose. No other animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot.
16. A. When a dog is on owner's property, the following PA State Law must be adhered to: It shall be unlawful for the owner or keeper of any dog to fail to keep at all times such dog either:
 - 1) Confined within the premises of the owner;
 - 2) Firmly secured by means of a collar and chain or other device so that it cannot stray beyond the premises on which it is secured; or
 - 3) Dogs must not be left unattended for an unreasonable amount of time outside any residence.B. When walking a dog on Association roads, the dog must be on a leash.
C. At all other times, the dog must be under the control of the owner or person responsible for its conduct.
D. Owners and those responsible for the control of the dog must pick up after their dogs.
17. It has been determined that an overabundance of waterfowl can pollute our lake. Therefore, feeding geese or other waterfowl is prohibited and subject to a fine.
18. The intentional feeding of deer, bears or any other wild mammals is prohibited and subject to a fine.
19. If a property owner wishes to cut vegetation on an improved or unimproved lot, other than normal maintenance (i.e., grass cutting, shrub trimming, or tree pruning), said owner must first submit a letter to the Board in writing except when there is a threat to real property at which time approval may be given by the tree committee. A fine may be charged for each tree, bush, or vegetation improperly removed! See fine schedule.
 - A. A fail-safe option for approval of removal of trees by a property owner may be completed under the review by the Tree Committee by the following procedure:
 - ◆ Upon notifying the Board, and a completion of a review by the Tree Committee, a property owner may remove a tree that is not a threat to real property, providing the property owner replaces each tree removed

from his property with a new tree to be planted anywhere on his property within 30 days. If approval to remove a tree is given during the winter months of November through March, a property owner must replant no later than May 15.

- B. It will be the responsibility of the property owner to replace ANY live tree removed from his property, whether a threat to real property, or not, if the tree being removed has a circumference of 5 inches or more when measured 4 feet from the ground. Such replacement is to be completed in 30 days, except when approval is given during the winter months, as is explained in **19 A** above.
 - C. The newly replaced tree (s) when measured 4 feet from the top of the root ball shall have a minimum circumference of 5 inches.
 - D. All replaced trees must survive a minimum of 12 months, or must be replaced as specified above.
 - E. Trees less than 5 inches in circumference, when measured 4 feet from the ground, may be removed by the property owner after review by the Tree Committee without a requirement for replacement.
 - F. The number of trees removed is restricted by covenant. It is the responsibility of the property owner not to cut plants protected by law.
20. Garage sales are limited to one per calendar year per family or when moving. Signs announcing garage sales can be displayed only at the location of the owner's property and must be removed within 24 hours of the sale.
 21. Real estate open house/auctions may be held only in the event of an estate liquidation or sale of a house. Member/designate must notify The Association office of the date and time of the auction/real estate open house and obtain a permit for same. A fee/deposit is required of which part is refundable upon determination that no infractions have taken place. See fee schedule. Parking and traffic control rules must be maintained and are the responsibility of the property owner.
 22. Prior to the sale of a property, the property owner may be required by the PA Uniform Planned Community Act to obtain a certificate of resale. The property owner must call The Association office to request a resale certificate and to schedule a pick-up of the said certificate. See fee schedule.
 23. Entrance bulletin board is for Association use only. Use of indoor office bulletin board must be approved by the Manager.
