

**True Collaboration**  
**Guaranteed and Viable**  
EL Alliance, COSA  
2018

**Objectives:**

- Explore what it means to have a **guaranteed and viable** curriculum.
- Discuss the specific steps and resources that Aloha Huber Park used to navigate the **ELPS and the language of instruction** during the mapping process.
- Provide an opportunity to **ask and answer questions**.

**Types of Curriculum Maps**

Type of Map	Notes

What are some challenges you have had with establishing a Guaranteed and Viable curriculum:

**Other Notes:**

**True Collaboration**  
**Guaranteed and Viable**  
EL Alliance, COSA  
2018

Objectives:

- Explore what it means to have a **guaranteed and viable** curriculum.
- Discuss the specific steps and resources that Aloha Huber Park used to navigate the **ELPS and the language of instruction** during the mapping process.
- Provide an opportunity to **ask and answer questions**.

**I'd like to remember:**

**After this session, my next step is...**
