## General Information

---

### **Badges**

Conference badges should be worn at all times during the scheduled conference events, not only as a courtesy to other registrants, but as an indication that registration has been completed. Name badges are required for entry into all sessions and activities.

### **FACTE Annual Business Meeting**

For admittance, members must present a name badge included in your conference materials.

### **Trade Show**

The Florida Association for Career & Technical Education is pleased to welcome the businesses and organizations exhibiting at the 52nd Annual Conference and Trade Show. Visit the exhibits and see the latest state-of-the-art instructional materials, technology, and products that will be displayed in the exhibitor's hall. Trade show hours are as follows:

Tuesday 7:30 a.m.— 5:00 p.m.

Wednesday 7:30 a.m.— 12:00 p.m.

### **Session Evaluations**

Session evaluations are to be completed at the end of each break-out session. Upon completion, please return these forms to the front of the workshop classroom where they will later be collected by members of the FACTE conference staff. General conference evaluation forms may be turned into the Evaluation Box at the registration desk.

### **Registration Desk**

The registration desk will be open Sunday 3:00 p.m. to 5:00 p.m.; Monday and Tuesday from 7:00 a.m. to 5:00 p.m.; and Wednesday from 7:00 am to 12:00 p.m. If you have any questions, please stop by the registration desk.

### **Award Breakfast and Scholarship Dinner Auction**

Tickets for these events are in your registration packet, if you registered to attend, at no additional cost. Attend the Awards Breakfast to honor the award winners. The Scholarship Dinner/Auction is an excellent networking opportunity, even if you do not bid on an item. All funds generated in the auction go to cash awards for FACTE teacher and student award recipients.

## A Letter from FACTE's President

Welcome! On behalf of the FACTE Board of Directors, I am honored to welcome you to the 52<sup>nd</sup> Annual Conference and Trade Show. We have new teachers and business partners joining our FACTE family, and we especially want to welcome these new colleagues.

I know you all are eager for the opening of the new school year and it is our hope, that in attending the conference you will learn new things and gain valuable information to take back to your school and district. Your state organizations have planned exciting pre-conference activities for you to participate in as well as informative break-out sessions. The President's Reception will take place on Monday evening with Tuesday and Wednesday jam-packed with outstanding sessions from your CTE leaders, practitioners and FLDOE partners.

The Awards Breakfast, where we will honor and celebrate the great people and things taking place in CTE, will take place Tuesday morning. The Scholarship Auction, hosted by FFA, will take place that evening. Please make every effort to join us during this evening of good food, great fun and entertainment as we come together to raise money for scholarships that benefit our students and staff.

You are a terrific group of dedicated professionals and it is my pleasure to represent you. Special thanks to Marsan Carr, Executive Director and her team, for their leadership and hard work as they represent FACTE at the

state level and their commitment to the improvement and expansion of career technical education in Florida and the nation.

Have a great conference and a great year!

Sincerely,

Joni Jonas

FACTE President

Director, Career Technical-Secondary

Pinellas County Schools

# Annual Awards Program

## **Carl Proehl Award**

To recognize those career and technical educators who currently have performed active service above his/her regular educational duties to career and technical education within the state of Florida. The recipient of this award must demonstrate a leadership role in promotional and leadership activities which increased local or statewide support for career and technical education. The recipient must also have been involved in activities promoting the goals of the Florida Association for Career and Technical Education. This award symbolizes the qualities and leadership exemplified by Dr. Carl Proehl for whom this award is named.

## **D.C. Jaeger Corporation – FACTE Student Award**

A tuition scholarship for \$1000 is awarded to an outstanding career & technical education student for the first year of enrollment at any state university or community college with a major field of applied technology or other career and technical field.

## **Hall of Fame— Professional & Support**

The Hall of Fame was established to perpetually recognize our most outstanding and distinguished professional career and technical educators and support professionals, organizations or businesses, who have made a long term significant impact on the field of career and technical education in Florida.

## **Joe Mills Career Excellence Award**

To recognize a career and technical educator who has made outstanding contributions that are of state and/or national significance. This significance should be aimed toward the improvement, promotion, development and progress of career and technical education. This award was established in 1987 to honor Joe Mills for his consummate dedication to the goals of career and technical education and the profession throughout his career. This dedication was evident through his responsiveness to the training needs of the citizens of our great state and nation. This award is designed to honor individuals whose careers exemplify a similar dedication to the development of people through career and technical education, exemplified by Joe Mills.

## **Carl Perkins Humanitarian Award**

This award will be presented to an individual whose career has been marked by actions that have enabled career and technical education programs to respond more fully to the individual needs of people for assistance in achieving more productive lives.

## **President's Award**

To recognize a full-time adult or career and technical education teacher who is providing outstanding programs for youth and/or adults in their respective fields and communities. The recipient of this award shall have performed active service, above his/her regular educational duties, to adult or career and technical education within the state of Florida and shall have performed service to FACTE, their professional association.

## **Rookie Award**

To recognize a beginning adult or career and technical education teacher who has made an outstanding contribution through his/her special enthusiasm, quality of work and student performance.

## **Walter Clausen Award**

To recognize a person in business or industry for the highest meritorious contribution to the improvement, promotion, development and progress of career and technical education in the state of Florida. This award symbolizes the qualities and leadership of Walter Clausen, a business leader whose outstanding service on the State Advisory Council for Career and Technical Education promoted quality career and technical education in Florida.

## **CAD Academy Innovation Award**

To recognize exemplary practices in interdisciplinary learning strategies, community involvement programs (business partnership, higher education), special events, grant delivery systems, and other innovations.

## **Outstanding Student Award—Secondary & Postsecondary**

To honor special students for outstanding achievements in career and technical education in Florida

*Each year the Florida Association for Career & Technical Education recognizes outstanding professional adult and career & technical educators through an awards program with outreach to all members in every area of Florida. In addition to the annual awards, FACTE also awards outstanding career & technical educators and students, and other contributors to CTE.*

**FAITE/FLATE Awards:** To recognize both secondary and post-secondary educators as key personnel for outstanding contributions to promote technology education and career awareness in support of manufacturing.

11:00—12:00	Evidenced-Based Strategies for Career Counseling	Osceola E

## The Silent Auction

One of the most beloved traditions of the FACTE Annual Conference is the Scholarship Live Auction and Dinner. This event will take place on Tuesday night, in Osceola C & D. Donated items are auctioned off to the highest bidder, and the proceeds benefit the FACTE Scholarship Fund. The Scholarship Fund provides monetary gifts to our award-winning students and teachers honored in Tuesday morning's ceremony.

In recent years, FACTE has added a "Silent Auction" to our annual live event. The Silent Auction Items will be in the back of Osceola C & D beginning on Tuesday morning. Silent auction will continue from Tuesday morning until 8:30 A.M. on Wednesday, July 18th. The silent auction winners will be announced prior to the Chancellor's "State of CTE" address.

Thank you all for your support of FACTE's Scholarships!

CIW is the leading vendor-neutral certification series for Information Technology (IT). The CIW core curriculum focuses on Web design, development, networking, databases, and security. CIW combines curriculum and high stakes certification exams that lead to specific career paths.

### **CAPE Approved CIW Certifications**

- Internet Business Associate
- Site Development Associate
- Network Technology Associate
- Web Foundations Associate
- Advanced HTML5 and CSS3 Specialist
- JavaScript Specialist
- Database Design Specialist
- Web Security Associate

The ICT Suite focuses on key skill sets within technology education using online demonstrations, activities and assessments to deepen knowledge of digital literacy. ICT raises these skills and prepares students with the skills needed to meet the challenges of an increasingly technical world.

### **CAPE Digital Tool Funded ICT Essentials Courses**

#### **Information Technology**

- Computing Essentials
- Cyber Security Essentials
- Programming & Logic Essentials

#### **Communication Technology**

- Communications Essentials
- Word Processing Essentials
- Spreadsheet Essentials
- Database Essentials

#### **Media Technology**

- Web Design Essentials
- Multimedia Essentials
- Gaming Essentials

# Preconferences, Monday July 17th

## New Administrator Workshop

9:00 a.m.—5:00 p.m.

### Celebration A

Administration is not an easy task. The Florida Department of Education recognizes the challenges administrators face and has designed this high level workshop to introduce you to key state and federal programmatic components every administrator needs to know.

*Presenters: Kathleen Taylor and Eric Owens; Florida Department of Education*

## Secondary CTE Data Workshop

8:00 p.m.—12:00 p.m.

### St. Cloud

The primary focus of this workshop is secondary CTE data reporting and validation. This workshop will focus on using agency level data reports available to reports coordinators and district CTE directors to identify potential data reporting issues and improve instruction and performance. The workshop will limit participation size to allow for small group discussion and hand's-on activities. District directors and coordinators are encouraged to attend. There is no fee to attend this workshop but registration is required.

*Presenters: Tara McLarnon; Florida Department of Education*

## Secondary FLCTE Luncheon and Meeting

12:00 p.m.—5:00 p.m.

### Luncheon in Seminole; Meeting in Allendale A

Zspace is hosting a luncheon for the Secondary CTE Directors. It will include a presentation by Zspace followed by a Secondary Director meeting to discuss the issues impacting secondary CTE programs, and develop a plan for improvement.

## Post- Secondary CTE Data Workshop

1:00 p.m.—5:00 p.m.

### St. Cloud

The primary focus of this workshop is postsecondary CTE data reporting and validation. This workshop will focus on using agency level data reports available to reports coordinators to identify potential data reporting issues and how the reports can be used to improve instruction and performance. The workshop will limit participation size to allow for small group discussion and hand's-on activities. District directors, college occupational deans and coordinators are encouraged to attend. There is no fee to attend this workshop but registration is required.

*Presenters: Tara McLarnon; Florida Department of Education*

# Preconferences, Monday July 17th

## The State of STEM

1:00 p.m.—1:45 p.m.

### Harmony A

An informational presentation of emerging STEM topics, challenges to implementation and turn-key solutions to those issues.

*Presenter: LaDondra Cercone*

### Differentiation in a CTE Classroom

2:00 p.m.—2:45 p.m.

### Harmony A

This presentation provides an overview of meeting student needs in a CTE classroom and to assist students in achieving successful certification. More specifically, the “process” will close learning gaps and increase purposeful planning that results in students success.

*Presenter: Christopher Simmons*

### New added Industry Certification to CAPE - Automotive Service of Excellence (ASE)

2:00 p.m.—2:45 p.m.

### Harmony B

ASE Certified Entry-Level Technician, formally known as ASE Student Certification. ASE has made necessary changes to meet the CAPE requirements and will be discussing:

- New testing policy changes
- How to become a center through Summit
- New program pricing updates
- New Student benefits

*Presenter: Benjamin Smith*

### Online Curriculum for Every CTE Classroom

3:00 p.m.—3:45 p.m.

### Harmony A

Come learn about iCEV's online curriculum resources for all CTE subject areas. Easy to use course management tools, automatic testing & grading and timesaving lesson plans make classroom implementation a breeze, while thought provoking student projects and interactive activities enhance student learning and retention. Through the completion of regular coursework, students can earn industry backed certifications. In-depth career exploration as well as college and career readiness lessons are also included in this all-encompassing curriculum resource.

A drawing for attendees will be held for a free year's subscription of iCEV!

*Presenters: Scott Weller & Kaitlin Plante*

### Increase Student Engagement while Exploring Agriculture Career Pathway

3:00 p.m.—3:45 p.m.

### Harmony B

Do you need new ideas for engaging today's Ag students? Are you looking for ways to refresh or enhance your current curriculum? Attend this session to hear best practices and discover key tools CTE teachers are using to create dynamic classrooms. You'll learn new ways to create skills training and career exploration opportunities with an emphasis in welding and agricultural science.

*Presenter: Denise Bodart*

# FAAE PRE-CONFERENCE

## Monday, July 16th

8:15 – 8:45 - Registration Lanier Hallway

8:45AM – 9:00 AM Welcome

**Lanier A:** Presenter – Brett Brandner – FFAE President

9:15AM – 10:15AM National FFA Presentation

**Lanier A:** Frank Saldana – National FFA, Presenter.

*Come learn the latest features of the National FFA membership roster. You will be able to maneuver and learn how to use the latest roster updates. Time will also be spent answering questions and issues that have come up through the year.*

10:25AM – 11:30AM

NAAE Teacher Resources

**Lanier A:** Stan Scurlock – Cottondale Middle High School, Presenter

*Hidden Treasures within COP and NAAE Benefits. From beginners to seasoned owls, COP has beneficial information for all.*

10:25AM – 11:30PM Virtual Field Trips

**Lanier B:** Shannon Wiley, Crystal Kyle, and Lane Woodward Virginia Tech, Presenters  
*Virtual-reality teaching tools allowing participants the opportunity to swim with sharks, visit outer space, walk through a museum, and more without leaving the classroom. We will explore options that range from utilizing skype or other web video tools to virtual reality expedition goggles. The Virtual-reality options available enable teachers to bring the fieldtrip to the classroom enhancing the teaching and learning experience. During this workshop, participants will be introduced to this hands-on experience. Participants will walk away with a general idea of how to operate the various platforms and how to facilitate a virtual field trip with their students.*

1:30AM – 1:00PM  
**Owl's Lunch**  
**Heritage Park B & C**

(Included with FFAE Pre-Conference)

1:00PM – 2:30PM

Dupont Ambassador

**Lanier A:** Carrie Owen – Deland Middle School, Presenter

*Participants will be introduced to the DuPont Agriscience lesson, Cattle Calls, where they will discover a fun and exciting way of teaching selective breeding techniques in cattle. Participants will leave with a copy of the lesson and techniques taught at the DuPont Agriscience Ambassador program, including strategies for reading and grouping. This lesson is applicable for grades 8-12.*

1:00PM – 2:30PM

AEST Industry Certifications

**Lanier B:** Keitha Bennett – AEST/ Florida Farm Bureau, Presenter

*Teachers will have opportunities to take industry certifications in the areas of: Ag Associate Certification, Ag Communications, Agritechnology, Animal Science, Forestry, Ag. Biotechnology, Unmanned Aircraft systems or Ag. Mechanics – Teachers will need to bring their own laptops.*

**\* Exams vouchers must be purchased separately through AEST to participate in this session**

2:45PM – 3:30PM

Committee Meetings

**Lanier A:**

*Finance, Professional Development, Marketing*

**Lanier B:**

*Public Policy, Policy & By-Laws, Member Services*

3:30 PM – 4:30PM

**A Moosooooooooovalous way to spice up your food science unit**

**Lanier A:** Jerry Johnson – Covington High School - Tennessee, Presenter

*This class will introduce the national milk quality and production standards by bringing Napoleon Dynamite live to your classroom. We will sample over 10 cheeses, learn how to mix ten different milks, learn about cheese characteristics, and introduce dairy products and fat percentages. This will be a hands on and fun class, bring some water for cleansing of the pallet, and gum for the end :)*

3:30 PM – 4:30PM

**Using One Note & Microsoft Teams with your FFA officer team**

**Lanier B:** Amy McAllister – Volusia County Schools, Presenter

*Does your officer team struggle with organization and communication? In this session you can learn how to use Microsoft OneNote and Teams to streamline communication and organize file sharing with your FFA officers and event planners. **Please bring your laptops for this session.***

4:40 PM – 5:30 PM

**Strategies from Teacher Turn the Key**

**Lanier A:** Brittany Coleman- Barrington Middle, Presenter

*This session is targeted toward early career teachers and will share strategies from NAAE Teacher turn the key program. In this session you will learn how to “Eat that Frog” to help you build your future as agriculture teacher.*

4:40 PM – 5:30 PM

**Strategies from XLR8**

**Lanier B:** Samantha Dodge – East River High & Farrah Johnson – Deltona High, Presenters

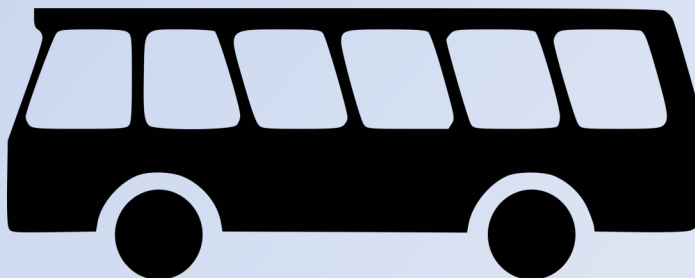

*There is never enough time for everything on our “to do” list. During this session learn some tips to help prioritize your time and accomplish the big tasks at hand. “Eat that Frog” will look at effective time management and ways to help you better manage your professional life and personal life. Get out of the slump and get back on track to meet your goals!*

6:00 PM

President’s Reception

7:00 PM

Depart for Social

8:00AM – 9:45AM

FACTE Awards Breakfast

Osceola CD

10:00AM – 10:30AM

Florida Department of Education Agriculture Update

Lanier A & B: Rod Duckworth, Florida Department of Education, Presenter

10:30AM – 11:00AM

National FFA Educational Resources & Updates

Lanier A & B: Frank Saldana- National FFA Association, Presenter

11:00 AM – 12:00PM

Florida FFA Association & Foundation Updates

Lanier A & B: Ronnie Simmons & Michael Rogalsky – Florida FFA, Presenters

12:00PM – 1:30PM

Lunch (on your own)

1:30PM – 3:30PM

Sustainable Farming Practices

Lanier A: David Byrd- Warner University, Presenter.

*Identify past, present, and future concerns of natural resources conservation, including wildlife management. Identify causes, effects, and solutions to soil and water conservation concerns. Gain knowledge of the correlation between the agricultural industry and the uses of natural resources.*

1:30PM – 3:30PM

Creativity in the Classroom

Lanier B: Lane Woodward- Virginia Tech University, Presenter

*Far too often creativity is left with the arts and not brought into the classroom. Creativity is linked to critical thinking and problem solving making it a crucial component in agricultural education classrooms. This workshop will allow teachers to explore and understand their own creativity by using a Torrance Test of Creative Thinking (TTCT). Following this assessment, teachers will then transfer that knowledge into lesson development to foster student creativity leading to student achievement. Teachers will leave the workshop with the skills to engage students with creativity found in lesson plans, classroom activities, and rubrics.*

3:30 – 3:45 PM—Break

3:45PM – 5:45 PM

FAAE General Meeting

Lanier A & B - Brett Brandner – FAAE President - Presiding

6:30PM- 9:00PM

FACTE Scholarship Dinner & Auction

## Wednesday, July 18th

8:00AM – 9:00AM

FACTE General Meeting

9:30AM – 2:00PM

Industry Tour Flowers Bread Factory - Lakeland

*Buses will depart at 10:00AM (limited to 40 participants)  
Preregistration Required.*

**Discover a fun, engaging, yet rigorous computer science program that will fit perfectly in your CTE program!**

Computer Science jobs are leading the way in today's workforce. Learning professional-grade programming and coding software using Zulama's curriculum has the highest potential to contribute to your students' economic success. Students learn to code through game design – a subject they love. Give them the chance to develop workplace skills by exploring topics they enjoy.

We also offer professional learning that is interactive, project-based, and participant-driven.

**Try Zulama today!**

Contact Teresa Cornett to request a demo.  
tcornett@emcp.com | 800-853-4469

## **10:00-11:00—Session 1**

### **School District Workforce Funding**

#### **Allendale A**

This session will provide information on funding sources and policies for district workforce education program. Participants will be provided with information on the important elements of the district workforce education workload funding model and performance-based incentives funding model.

*Presenters: Tara Goodman, FLDOE*

### **Tackling Technology for Today's Learner**

#### **Allendale B**

Come learn new and exciting ways to engage your students through the use of technology in the classroom! This training will focus on free internet resources that the everyday teacher can use to impact student engagement. We will highlight resources ranging from EDpuzzle to Quizzizz. In this training you will learn how to turn those annoying cell phones into a valuable tool for learning! Come learn with us and have a chance to win awesome giveaways!

*Presenters: Fallon Driver and Kathy Otte*

### **What is Simulation in Nursing and New Debriefing- Meet the new BON Requirement before they are Mandated 2CE**

#### **Celebration A**

*Presenters: Mark Tuttle and Scott Kennedy*

### **Registered Apprenticeship 101**

#### **Celebration B**

Learn the basics of what Registered Apprenticeship in Florida is and how it can be integrated as a viable education and workforce solution. Topics will range from understanding the national system of apprenticeship, common terms, value of registered apprenticeship for both individual apprentices and employers, various on-the-job training models, and basic funding sources. Attendees will gain a better understanding of Registered Apprenticeship.

*Presenters: Richard 'Ted' Norman, FLDOE, and Rob Jacobs, FAA*

### **FLDOE Update for Agriculture; Food and Natural Resource**

#### **Harmony A**

*Presenter: Kaitlin Vickers, FLDOE*

### **Curriculum Review for Criminal Justice Operations**

#### **Harmony B**

*Presenter: Charles Rutledge*

## **10:00-11:00—Session 1**

### **Model of Middle School Animation CTE Program**

#### **Heritage Park A**

The session will launch our new middle school animation CTE model which creates a continuum from middle school to high school CTE and beyond. We will connect our professional animation studio, FableVision studios, as a model for students to provide them with virtual access to the studio for tours and mentoring. We partner with Summit Global to provide middle school animation CTE certification. We are under consideration for listing on Florida Digital Tools. The goal of our Creativity to Careers program is to engage students in creative career explorations to increase high school graduation rates at the middle school level. This program will also give students the opportunity to explore animation before committing to a 2-year program at the high school level. Students will develop core skills needed to be successful beyond high school, experiencing an authentic application of creativity, communication, collaboration, and critical thinking.

*Presenter: Jane Reynolds*

### **Training Teacher - Lesson Learned**

#### **Heritage Park B**

We have hosted multiple summer workshops for teachers needing training. What did we teach, what do teachers need help with; what can we do to train more teachers? Lessons learned from surveys will be shared.

*Presenter: Ebe Randeree*

### **Bridging the GAP: Targeting local businesses to increase enrollment and accelerate completion for non-traditional students**

#### **Heritage Park C**

This workshop will provide you with an understanding of how Broward College creates an education connection with community businesses to incentivize their employees to attend college. We will provide tips on maximizing resources within your organization to provide a seamless transition process for your local business partner and prospective students.

*Presenter: Claudia Alvarado, Jaime Cortez, Renato Cortez, Fortin Jean-Pierre, Myrline Sterling*

### **Panel of Award Winners and their Best Practices**

#### **Partin A**

This panel will share they experiences in areas such as economic development, industry, education, administration and will present their best practices and significant contributions toward innovative programs in support of STEM, Engineering Technology, and industrial/manufacturing education in Florida.

*Presenter: Shirley Dobbins, C.A. Vossberg, Ted M. Missildine*

## **10:00-11:00—Session 1**

### **Personal Finance Basics: Visualize it!**

#### **Partin B**

Looking for an interactive way to introduce students to the basics of banking, budgeting, credit, saving and investing? Come join us for a scavenger hunt with the Federal Reserve Bank of Atlanta's Personal Finance Infographic poster series and take home your own classroom set and activity guide.

*Presenter: Lesley Mace*

### **Proven Strategies for Student Success on Industry**

#### **Poinciana A**

In a classroom where students work hard to prepare to take and pass their content area Industry Certification tests, but they don't all learn the same way or at the same pace, teachers need proven success strategies to guide students. Time is of the essence, as students must also learn how to use the software program, not just practice the trainings. Attendees in this session will leave with a devised plan about how to approach Industry Certification testing without becoming overwhelmed in the process.

*Presenter: Tiffany Cantrell*

### **They Say it Can't Be Done... Do it Anyway**

#### **Poinciana B**

This session will focus on overcoming the barriers that Technical Colleges and Centers face in order to fill the skilled labor gap. I will include real examples of how Osceola Technical College has/is overcoming real and perceived obstacles to achieve our goal of a career for every student.

*Presenter: Tom Ott*

### **Using the Academy Rubric for Evaluation of Career**

#### **Seminole A**

One key feature of our community that is unique is the relationship between PCS and the Pinellas Education Foundation, specifically the Career Education Board (CEB). The CEB is comprised of community leaders, business owners and educators in Pinellas County. The CEB sets goals and evaluates the performance data of the academies. This group visits each high school and designated middle schools in the fall and again in the spring. Schools complete and rubric and outline where they are in achieving the eleven components of the rubric which is based on NCAC's National Standards of Practice. In this session you will learn how this rubric is used to drive academy success in the district.

*Presenter: Joni Jonas*

### **Infusing G Metrix into Classroom Instruction for Industry**

#### **St. Cloud A**

Gmetriz is not a teacher! Come see how you can infuse the use of the practice test software into you daily instructions. You will learn how to create custom tests for Office 2016 and Adobe Products, run reports, find out students are cheating in Gmetrix and share best practices with others.

*Presenter: Linda Robinson*

## **11:15-12:15—Session 2**

### **From Zero to Hero – Everything you need to know to be a CAPE Superhero**

#### **Allendale A**

Whether you are new to CTE or you are a seasoned CAPED Crusader, this session will provide all you need to know about Florida's Career and Professional Education Act (aka CAPE Act), including major program and funding components, as well as information on accurate data reporting and test administration requirements.

*Presenters: Tara Goodman and Kathryn Wheeler, FLDOE*

### **Inspire the Fire within Students: The Top 10 tools for Your Students to Succeed in College and Beyond!**

#### **Allendale B**

Learn how FloridaShines and MyCareerShines can help students succeed in school and life after graduation. FloridaShines, Florida's Student Hub of Innovative Educational Services, offers an array of free online tools including a progress check towards high school graduation and Bright Futures Scholarship eligibility. College students can register for online courses and apply to take a course at another school. MyCareerShines is Florida's comprehensive, online education and career planning system powered by a suite of age-appropriate online planning tools. With the new tools, students can assess their interests, explore colleges and careers, plan for education and prepare for work. Come learn how these online tools, plus additional resources, can help your students succeed.

*Presenters: Heather Conley, FLDOE & Nashla Dawahre, Florida Virtual Campus*

### **Clinical Pitfall Solutions 1 CE**

#### **Celebration A**

*Presenters: Mark Tuttle and Scott Kennedy*

### **Registered Apprenticeship Funding**

#### **Celebration B**

This session will focus primarily on many of the various funding models and options for districts and Florida College System (FCS) institutions wanting to offer the related technical instruction for Registered Apprenticeship sponsored programs. Topics will range from WIOA and the role of CareerSource Florida, should a district technical college/center or FCS become a sponsor, and navigating barriers. At the conclusion of the session, attendees will gain a better understanding of funding for Registered Apprenticeship or they will be so confused that the entertainment value will be worth the price of admission.

*Presentation: Richard 'Ted' Norman, FLDOE*

### **FCCLA State and National Updates**

#### **Harmony A**

Hear the latest state and national updates and trends from the FCCLA State office.

*Presenter: Patrick Grady*

## **11:15-12:15—Session 2**

### **CTSO – Florida Public Service Assoc.**

#### **Harmony B**

*Presenter: Charles Rutledge*

### **School Based Enterprise**

#### **Heritage Park A**

Learn about different techniques to grow your school based enterprise. Sublimation, t-shirt transfers, and vinyl cutting equipment to enhance your school store or marketing class. Learn how easy it is to use the different equipment along with the tools you need. This will be a hands on class with the attendees trying the process.

*Presenter: Richard Bloedow*

### **Questions High School Students Ask**

#### **Heritage Park B**

What are they interested in? We visited over 50 high schools in three years from Pensacola to Ft. Myers. The data collected is being presented.

*Presenter: Ebe Randeree*

### **Hillsborough County's Workforce Connection Events**

#### **Heritage Park C**

Each year, Hillsborough County's Career and Technical Education Department hosts a series of Workforce Connections events, designed to connect students and teachers with Business and Industry Partners. This presentation will review the 2017-2018 event highlights, including Build Tampa Bay, Plant City Future Fair and the Health Career Leadership Forum.

*Presenter: Chris Jargo*

### **Communication and Leadership: Toastmasters.org**

#### **Partin A**

Teachers building their communication skills to help their students. Teachers networking to promote their program. Speaking at events to promote the school to help fund special programs. Toastmasters provides a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth.

*Presenter: Kim Burt*

## **11:15-12:15—Session 2**

### **Career Exploration and Soft Skills: Preparing Students for Success**

#### **Partin B**

Which soft skills are highly prized in the workplace and can help students plan their careers? Get great ideas for making your students soft skills experts with hands-on activities and interactive lessons. All participants will receive free resources, including teacher and student workbooks from the Navigate career exploration curriculum, to help engage their students as they prepare for their futures. Help engage their students as they prepare for their futures.

*Presenter: Lesley Mace*

### **BluePrint of a Graduation: Choose your Path, Launch your Future**

#### **Poinciana A**

Join us at this session to learn how to create a blueprint of a graduate for your district using Career Pathways and CTSO experiences. Students need to be well rounded for a post secondary experience through social emotional awareness, personalized pathways, and employability skills. Learn how all of these important competencies can create a Blueprint of a Graduate!

*Presenter: Jillian Berg, James Payne*

### **Writing in the Disciplines**

#### **Poinciana B**

This short course is designed to assist college STEM faculty who currently (or may in the future) work with students who are deaf or hard of hearing (D/HH) with implementation of a Writing in the Disciplines (WID) approach to provide students with frequent, sustained writing practice through a variety of experiences that will not only improve students' writing competence, but also enhance their general learning.

*Presenter: Kimberly Fahlgren*

### **FLDOE State Supervisor Update – Arts, A/V Technology and Communication; Information Technology; Business Management and Administration**

#### **Poinciana C**

*Presenter: Debbie Perdue*

### **Best Practices for Effective Advisory Committees for your Career**

#### **Seminole A**

This session will cover the process of effectively forming an advisory committee for your Career Academy. Tips for finding the right people to serve on your advisory and retention of members. Best practices will be discussed for activities and events to help enhance your advisory and prepare students for life after high school. Best practices for advisors to serve the various roles needed for a successful Career Academy. Other needs to fill: Mentorship, Internship, Curriculum and classroom support, real-world connections to learning.

*Presenter: Steven Plummer*

## **11:15-12:15—Session 2**

### **Digital Tools Certification Success**

#### **St. Cloud B**

Osceola County will share their journey to find curriculum that's proven successful in achieving middle school digital tools certificates. We will co-present, share success, and feature learning.com's easy tech program.

*Presenters: Michelle Spence & Kimberly Yoho*

### **FL Business Professionals of America, Inc.**

#### **St. Cloud A**

FL Business Professionals of America, Inc. is the premier CTSO (Career and Technical Student Organization) for students pursuing careers in business management, information technology, finance, office administration and other related career fields. As a co-curricular activity, Business Professionals of America has the ability to enhance student participation in professional, civic, service and social endeavors. Business Professionals of America members participate in these activities to accomplish its goals of self-improvement, leadership development, professionalism, community service, career development, public relations, student cooperation and safety and health. Some of BPA's other major programs include the National Leadership Academy, Officer Elections and scholarships. The Torch Awards Program and BPA Cares Program recognize students and chapters, respectively, for their leadership and service to their chapter and community.

*Presenter: Sonya Russell*

Tweet and post about the conference  
using **#FACTE2018**

### **1:30-2:30—Session 3**

#### **CAPE Superheroes – The Adventure Continues**

##### **Allendale A**

This custom-designed session will provide further understanding of topics related to Florida's Career and Professional Education Act (aka CAPE Act) based on survey responses from district contacts. Colleagues from around the state will be present to share their superhero tactics for effective CAPE Act implementation.

*Presenters: Kathryn Wheeler and Tara Goodman, Florida Dept. of Education with Invited Speakers: Jeroline Johnson, Christopher Jargo, Rita Davis, Janice Scholz, Melanie Stefanowicz*

#### **Affiliation Agreements - What Deans and Directors need to Watch out For 1 CE**

##### **Celebration A**

*Presenter: Scott Kennedy*

#### **Apprenticeship: The Employer and Apprentice Perspective**

##### **Celebration B**

This session will be a plenary discussion on the positives and some of the challenges of Registered Apprenticeship. Panelists will consist of an, employer, active apprentice, program sponsor, and apprentice completer. The discussion will focus on the value of Registered Apprenticeship from both the employer and apprentice perspective. Attendees will gain a better viewpoint on how Registered Apprenticeship serves both an educational and workforce need.

*Panelist: Richard 'Ted' Norman, Steve Lindas, Florida Dept. of Education (moderator) and panelists: Nancy Merced, Academy of Construction Technologies; Karen Nichols, Central Florida Mechanical IJ*

#### **Parliamentary Procedure**

##### **Harmony A**

Want to run a smooth business meeting? The Brevard Parliamentarians will discuss the fundamental rules and principles which govern conducting public business.

*Presenters: Brevard Parliamentarians*

#### **The Big 3 of Effective Instruction: Cloud-based Planning, Collaboration, and Analytics**

##### **Harmony B**

In this session participants will learn how TeacherPlanBook captures the power of technology to allow teachers to easily create and share comprehensive plans that are aligned to standards. Shared plans with business and industry partners allows for ongoing professional learning ensuring the most current industry demands are covered in course content. Data available in the administrator portal can inform areas of strength and next steps for improving student outcomes at the district, school, program or teacher level.

*Presenter: Lauri Susi*

### **1:30-2:30—Session 3**

#### **FACTE Online Course Update**

##### **Heritage Park A**

A discussion of the wide variety of FREE online courses available through FACTE that can be used to earn in-service points and certifications.

*Presenter: Paula Fugel*

#### **Drones in Agriculture and in Aviation Careers**

##### **Heritage Park B**

A hands on view of Unmanned Aerial Systems and their uses in different careers. We will look at the career outlook, skill sets, and the technology behind the drone industry. Teachers will also use a simulator to virtually fly a drone. Small motor kits will be used to understand the physics of flight.

*Presenter: Gustavo Junco*

#### **Factors Affecting Engineering Technology Pathways – Sharing real students' perspectives to help increase recruitment and retention in your program**

##### **Heritage Park C**

The purpose of this session is to present the results of a NSF sponsored student survey that will help educators, counselors, and career pathways representatives to understand how learning, interests, family, and employment (LIFE) experiences of two-year college students in Florida impact their decisions to enroll, return for further coursework, go to work or complete an associate degree. It starts in high school. This session will include the presentation of the survey, preliminary findings, and will end with breakout discussion of how targeted research findings can be applied to program development, career pathways best practices, and ultimately share strategies that will help increase CTE recruitment and retention.

*Presenter: Marilyn Barger & Danielly Orozo Cole*

#### **FAITE Membership Meeting**

##### **Partin A**

Come and participate in the membership meeting! We need to elect new officers. Come be an active member.

*Presenter: Dale Toney*

#### **NCCER Online Testing and Digital Resources - A Hands On Workshop**

##### **Partin B**

Participants of this hands-on session will learn, and understand, how to effectively navigate the NCCER Testing and Registry Systems. Attendees are encourage to bring internet enabled laptops for a walk thru training that will reduce staff time to schedule, proctor, and report NCCER module examinations for CAPE funded programs. A question and answer format will allow for direct interaction throughout this session.

*Presenter: John Havlik, Allyson Butts*

#### **Customize an Internship Prep Course for your District**

##### **Poinciana A**

Miami-Dade, Executive Director, Dr. Lupe Diaz will present their district's internship course, how they created it and details on how to begin your own internship program with local businesses.

*Presenter: Kat Meyer*

### **1:30-2:30—Session 3**

#### **Project Access/ Universal Design in Learning**

**Poinciana B**

This workshop offers training on making educational materials more accessible and engaging for Deaf and hard of hearing students. UDL is an educational framework based on research in the learning sciences, including cognitive neuroscience, that guides the development of flexible learning environments that can accommodate individual learning differences. UDL provides the opportunity for all students to access, participate in, and progress by reducing barriers to instruction. Learn more about how UDL offers options for how information is presented, how students respond or demonstrate their knowledge and skills, and how students are engaged in the learning process. Rather than providing accommodations for a specific student, UDL benefits all students. UDL is not a dumbing down of the curriculum, but a better means of access. Simply put, it is just good teaching.

*Presenter: Kimberly Fahlgren*

#### **FLDOE Update: Education and Training; Hospitality and Tourism; Human Services; Architecture and Construction; Energy; Marketing**

**Poinciana C**

*Presenter: Anne Nyman*

#### **Sustainability: Best Practices in CA design and implementation**

**Seminole A**

Several Florida communities were designated as Ford NGL communities in 2012 and are still thriving today. Hear from experts on the best practices that have helped them sustain the Career Academy model in their district. Learn about their key structures and roles which supported transformation, challenges and solutions through leadership changes, and role of partners in their programs.

*Presenters: Paula Chaon, Ford NGL Coach, Kelly Amy, CTE Director for Volusia County, Elizabeth Patterson, CTE Director for Bay County, Rita Davis, CTE Director for Lee County*

#### **To Google Or Not to Google, That Is The Question**

**St. Cloud A**

Google is so much more than a search engine. Join me in the exploration of Google tools, such as Classroom, Drive, Docs, Sheets, Forms, Earth, Arts & Culture and VR. Discover ways to engage students in collaborative activities using Google Tools in any classroom setting.

*Presenter: Michele Burke*

#### **Space Coast Consortium Apprenticeship Program Model**

**St. Cloud B**

This presentation will discuss the potential of a regional approach to implementing an advanced manufacturing apprenticeship program to the aerospace, aircraft and defense industries.

*Presenters: Steve Cercone; Bryan Kamm*

## **2:45-3:45—Session 4**

### **Perkins Programs of Study: The Basics and Best Practices**

#### **Allendale A**

This session will provide information on the Perkins grant requirement for Programs of Study and answer why Programs of Study matter. Attendees will have the opportunity to listen to a panel of secondary and postsecondary local practitioners explain how they work together to develop, implement, and revise local Programs of Study. Best practices for building successful partnerships focused on Programs of Study designed to prepare students for the workforce will also be discussed.

*Presenters: Bruce Harrington, Cathy Hammond, and Lee Chips-Walton, FLDOE*

### **Perkins Professional Development Institute (PDI)-What can it do for me?**

#### **Allendale B**

Learn about the Perkins Professional Development Institute and how educators can get reimbursed for earning industry certifications through self-study or with facilitated Pre-Exam Reviews.

*Presenters: Heather Conley, FLDOE and Maraci Wallace, College of Central Florida*

### **Human Trafficking 2 CE**

#### **Celebration A**

*Presenters: Denise Walker & Julie Schreiber*

### **Apprenticeship and the Law: What you need to know**

#### **Celebration B**

This session will delve into the Federal and State laws that govern Registered Apprenticeship in Florida. Topics that will be discussed will touch on President Trump's Executive Order and the Executive Taskforce on Apprenticeship, recent Florida legislative actions (HB 29 & HB 577), existing Florida Statutes and Rules, and compliance with Federal regulations. Attendees will gain an understanding of the legal aspects in order to make informed decisions regarding Registered Apprenticeship.

*Presenters: Richard 'Ted' Norman, FLDOE*

### **Family and Consumer Sciences Roundtable**

#### **Harmony A**

Participants will share best practices in a roundtable setting in the areas of Early Childhood, Culinary Arts, Hospitality and Tourism, Principles of Teaching, Interior Design, and Fashion Technology and Design.

## **2:45-3:45—Session 4**

### **MSSC Certification for Manufacturing & Logistics including the new Skill Boss Harmony B**

The State of Florida currently ranks #2 for MSSC certification credentials issued in the United States. This presentation will focus on Florida's push to close the workforce skills gap in two high demand industries.

Neil Reddy, the Executive Director of MSSC, will discuss Florida's leadership role in implementing MSSC CPT certification for Manufacturing as well as the CLA & CLT certifications for Logistics & Supply Chain. We will also present the new CPT+ certification that utilizes the new Skill Boss from Amatrol. Schools and Colleges in Florida are seeking to increase pass rates for CAPE industry certifications using a blended instruction model combining the MSSC online training content and hands-on tasks, using Skill Boss.

*Presenter: Neil Reddy-Executive Director, MSSC, Jason Everett-Regional Manager, Amatrol & Rod Jaeger-President, D. C. Jaeger Corporation*

### **Great Ideas in Computer Science: What the CS AP Principles Course is All About Heritage Park A**

The new AP Principles course is designed to introduce students to fundamental concepts in computer science. The ETS course description includes a list of these "big ideas", BUT many of them, such as Creativity, Information, and Global Impact, are too vague to provide helpful guidance for instructors. Attend this session to learn about fundamental CS concepts in sufficient detail, to provide assistance for preparing your course and selecting materials.

*Presenter: Mike Schneider*

### **5 Ways to Help Your Generation Z Students Develop Empathy Towards the Elderly**

#### **Heritage Park B**

Empathy and geriatric sensitivity are important skills for future healthcare workers. However, helping today's technologically savvy students develop them can be difficult. Participants will learn how teaching strategies, discussion topics and hands-on learning aids can help you show your students what it's like to be an older adult, and in turn, develop empathy and sensitivity toward the elderly.

*Presenter: Denise Bodart*

### **Developing and Sustaining Partnerships**

#### **Heritage Park C**

The Research Coast Career Pathways Consortium has successfully implemented an auto-articulation system that awards students' career pathways credit upon entering the state college within their region. This presentation will elaborate on and facilitate attendees will have step by step guide on how to duplicate/implement this imitative.

*Presenter: Dr. Nicholas Brown*

## **2:45-3:45—Session 4**

### **Business Advisory Committees—All CTE Welcome**

#### **Partin A**

In order to have CTE program with relevance you need to have industry/business connections that can provide input. This session will discuss the model that Marion County uses.

*Presenter: Dale Toney*

### **Social Media and Video: An Educator's Best Friends!**

#### **Partin B**

Education has changed quite a bit with the big push for technology integration in the classroom. Join Debbie as she shares her knowledge with participants on what the future of education may look like and how CTE teachers can stay current on technology trends by learning from a professional learning network that can be built on social media. The presenter will assist teachers with customizing their own website and share some tips and tricks on how to use social media and video to engage students. Teachers will be shown how to edit their own instructional videos using free editing software such as WeVideo. To get the most out of this session, please bring a fully charged laptop or other device.

*Presenter: Debby Osias*

### **Focus User Update**

#### **Poinciana A**

Opportunity to discuss Focus School Software.

### **Promoting Inclusive Postsecondary Career and Technical Education for Students with Intellectual Disability**

#### **Poinciana B**

This presentation will review the supports and services developed to prepare students with intellectual and/or developmental disabilities to be successful in inclusive postsecondary career and technical education training programs. Access to postsecondary career and technical training leads to more meaningful employment which fosters higher wage.

*Presenter: Ethel Still-Richardson*

### **CAPE Outcomes - The Truth is Out There**

#### **Poinciana C**

This session will provide an overview of historical CAPE performance outcomes. Information will look at industry certification activity among a variety of subpopulations and demographics. Focus will be given to areas of growth as well as performance trends.

*Presenter: Tara McLarnon, FLDOE*

## **2:45-3:45—Session 4**

### **Building Powerful Partnerships!**

#### **Seminole A**

Do you want to increase business and community partnerships and create sustainability? Strengthen your ask and your ability to onboard partners to engage in meaningful activities! Learn more about how to recruit and engage partners from low-intensity activities to high-intensity level project-based learning. Walk away with best practices in recruiting and managing partnerships.

*Presenter: Paula Chaon, Ford NGL Coach, Kelly Amy, CTE Director for Volusia County*

### **Apps You Should Try**

#### **St. Cloud A**

Collaboration tools, capture tools, organization tools and more. We will share with each other the wonderful apps that we like and use every day.

*Presenter: Debra Perdue*

### **The CTE Buffet**

#### **St. Cloud B**

Ascend Academy High School in Broward County offers students an outstanding buffet of choices in the CTE world. This presentation will discuss the selection and design process in determining the career offerings for each school year. A three-tier approach to increase level of student certification and CAPE funding for the school will be reviewed and the evaluative results of the process will be discussed.

*Presenter: Christopher Simmons, Vince Alessi*

## **4:00-5:00—Session 5**

### **FLDOE State Supervisor Update – Law, Public Safety, and Security**

#### **Allendale B**

Presenter: Pamela Gilman

### **Nursing and the Law 2CE**

#### **Celebration A**

Presenter: Denise Walker & Julie Schreiber

### **Pre-Apprenticeship: A whole new look**

#### **Celebration B**

Pre-Apprenticeship for decades has been a model for providing instructional services to individuals who are quite not ready for the educational, physical, or maturation requirements of being an apprentice. Soft skill, academic, and career readiness skills are honed prior to entering into apprenticeship. Pre-Apprenticeship has taken on a new dynamic as a career pathway option for individuals. This session will expound on various Pre-Apprenticeship subject matters such as: Pre-Apprenticeship in Florida, youth, adult, combined, integrating into High School, sponsorship/partnership, and the value.

Presenter: Richard 'Ted' Norman; Steve Lindas, FLDOE

### **Culinary Arts Demonstration by Johnson and Wales University Chef Gus Griffith**

#### **Harmony A**

During this presentation, we will make Homemade Naan and Hummus (Leavened Flatbread with a Roasted Garlic Hummus and Cucumber Salad) Volunteers will help create and shape/cook the naan as we discuss different spice blends and varieties of flatbreads and hummus.

Presenter: Gus Griffith

### **T.E.A.C.H. Early Childhood® Scholarship Program: Supporting a professional pipeline from high school to the early education workforce**

#### **Harmony B**

T.E.A.C.H. has created a new scholarship model that supports CAPE Academy programs preparing students for careers in early care and education. Learn how T.E.A.C.H. provides financial assistance to high school Career and Technical Education (CTE) programs AND to their students who are working to earn a National Credential (CDA™) in addition to the Florida Staff credential. This partnership lays the foundation for success and supports a career pathway for those entering the field and continuing professional development directly out of high school. Given the need for qualified, and highly trained professionals entering early education, and the need to support Florida's Secondary Career and Technical programs, this is proving to be a win-win partnership!

Presenter: Lisa Adams

## **4:00-5:00—Session 5**

### **Bridge the Gap: Connecting STEM Professionals to All Classrooms, Virtually!!**

#### **Heritage Park A**

Are you interested in providing equity for all learners in a way in which students can relate?

*Presenter: Jim Clor*

### **Secrets to success with SolidWorks CAPE Certification**

#### **Heritage Park B**

*Presenter: Scott Weller, Kaitlin Plante*

### **CIW Certifications and ICT Essentials in the Classroom**

#### **Heritage Park C**

Come join the CIW Certification and ICT Essentials team in an overview of our online resources and instructional tools. In this presentation, we will have a Florida instructor present on how he currently uses CIW certification and ICT Essentials in the classroom along with some best practices. We will also be introducing our new courses: JavaScript Specialist 2.0, Social Media Strategist, User Interface Designer, and Data Analyst, which have all been released for industry use. Please come join us for a look at the CIW and ICT programs!

*Presenter James Black*

### **Cyber Ed in K-12**

#### **Partin B**

There will be 2-3 million unfulfilled jobs in the cybersecurity field by 2020. What is being done to train tomorrow's workforce in this field? TestOut offers the necessary training and simulated labs to allow students to work towards fulfilling these jobs and obtain industry certification. Attendees to this session will be provided with information about trends in Cyber Ed and how TestOut is able to meet the needs of tomorrow's training. All attendees will be given free 90 days access to use TestOut courseware. Come join the conversation about Cyber Ed!

*Presenter: Travis Wilde*

### **PassAssured's Pharmacy Technician Training Program**

#### **Poinciana A**

PassAssured's Pharmacy Technician Training Program completely prepares students to be nationally certified and job ready upon graduation.

*Presenter: Laura Robinson*

### **Who's teaching the CTE teacher?**

#### **Poinciana B**

In 1990, there were 27 CTE teacher preparation programs that offered a Bachelor's degree in Florida. In 2017, four remained. What caused this decline? Who are currently teaching new CTE teach-

## **4:00-5:00—Session 5**

ers? With the dramatic increase in student secondary and postsecondary CTE course and program enrollments, how do we ensure our CTE teachers are receiving proper pedagogical training? How do we encourage and support the remaining CTE teacher preparation programs in Florida? In this session, to answer these questions and more, I will present the findings of my dissertation study "The Sustainability of Career and Technical Education Teacher Preparation Programs in Florida" from 2017.

*Presenter: Dr. Lisa Martino*

### **Using Data Quality and Perkins Performance Reports to Inform Program Administration**

**Poinciana C**

Partnering with a district colleague and using both state and local data reports, this session will walk through an academic/reporting year from mid-year and end-of-year data quality reviews to the local level Perkins performance reports. Participants will identify potential signs of data quality errors as well as early performance indicators utilizing both the state and local generated data reports.

*Presenters: Paul Stonecipher, FLDOE and Melanie Stefanowicz, Osceola County Public Schools*

### **Toon Boom Animation for TV Production and Game Simulation (Cape Funded Certification)**

**Seminole A**

An overview of the tools available to successfully teach and prepare for Toon Boom certification exams.

*Presenter: Max Doré*

### **Computer Science; What It Is And Why Should I Care?**

**St. Cloud A**

Computers and technology are prevalent in every facet of our society. Discover what Compute Science truly is and why it is an important course of study for all career choices.

*Presenter: Michele Burke*

### **Activating Student Mastery with No-Cost, Real-World Resources**

**St. Cloud B**

EVERFI provides educators with no-cost, web-based software in topics including financial literacy, digital citizenship, and career readiness. EVERFI and Pinellas County Schools will be jointly presenting to explain how these free resource support various CTE programs including IC3 Spark and Living on Line CAPE exams. Attendees will receive login credentials, access to EVERFI's courses, supplemental materials such as lesson plans and standards alignments, best practices, as well as on-going support from a dedicated implementation team and engaged local and statewide sponsorships.

*Presenter: Dee Chastain and Daniel Lindsay*

# Focus School Software

## Postsecondary System

Our postsecondary solution currently serves over half of the districts in Florida, that's over **100,000+** CTE/Adult Ed students! And more than 80% of the state's CTE students are submitted to WDIS through Focus!

By integrating features from our SIS and ERP, Focus offers a truly comprehensive approach to managing postsecondary data for all Career and Technical Schools and Adult Education Institutes.

## Agenda, Wednesday, July 18th

8:00—8:30 A.M.

### **FACTE Business Meeting**

Osceola CD

This annual business meeting is an opportunity to meet the FACTE board and get informed on the association's financials and activities.

8:45—9:30 A.M.

### **The Chancellor's Update: The State of CTE in Florida**

Osceola CD

9:45—10:45 A.M.

### **ACTE Legislative Update**

Osceola CD

Alyssa Hysop will be joining us to review to federal legislation that impacts our programs, including Perkins.

---

### **Pick a Session:**

**11:00 A.M.—12:00 P.M.**

### **An Overview of Florida's Postsecondary Comprehensive Transition Program**

Osceola A

The 2016 enactment of the Florida Postsecondary Comprehensive Transition Program Act is making meaningful change in the lives of students with intellectual disabilities in all types of postsecondary education settings: universities, state colleges and district technical centers and colleges. Come here the latest on how the Act is being implemented, grant and scholarship availability, and model programs striving to improve postsecondary outcomes for our young people with unique abilities.

*Presenters: Dr. Paula Kohler, Florida Center for Students with Unique Abilities; University of Central Florida*

### **Postsecondary CTE and Adult Education: Partners in Integrated Education and Training**

Osceola CD

This session is geared towards college and school district CTE and adult education administrators and faculty who are interested in helping adult students accelerate their time to career certificate and a high school diploma (equivalency) simultaneously through an integrated approach. Guests who have started to implement the IET approach will share their experiences and best practices in serving adult students enter gainful employment through this unique approach.

*Presenter: Lisa Williams, FLDOE*

### **Evidenced-Based Strategies for Career Counseling**

Osceola E

This session will explore evidence-based strategies for career counseling practices, sharing ideas for district and school leaders, schools counselors, and career and technical educators from the research and from examples being implemented across Florida.

*Presenter: Kevin Smith, Regional Educational Laboratory—Southeast at Florida State University*

### **FLDOE Supervisor's Update: Manufacturing; Engineering and Technology Education; Transportation, Distribution and Logistics Celebration**

*Presenter: Ted Norman, FLDOE*
